A Publication for Care Wear Volunteers

2014 Edition

I expect to pass through this world but once; any good thing  
therefore that I can do, or any kindness that I can show to  
any fellow-creature, let me do it now; let me not defer  
or neglect it, for I shall not pass this way again."

## GENERAL INFORMATION

Care Wear items are given FREE to infants, children & their parents. Families usually keep the items as a memento--especially garments for tiny preemies. Although the focus of Care Wear's efforts was originally premature infants, it has been impossible to ignore the requests for assistance for larger infants, children, & even geriatric patients. There is the most demand for the larger preemie & full-term sizes of hats & booties. Most hospitals welcome blankets and quilts. Feel free to vary colors with the season & use other patterns you have & enjoy making. Please refer to the Care Wear website (<http://www.carewear.org>) Hospital List for items requested.

PLEASE contact hospitals directly to confirm their needs & to confirm their mailing address. Hospitals that are not familiar with Care Wear will find it easier to respond to samples in each size. I recommend that you bring or send one of each size item that you construct. Label each with size & name of item. For example, kimono-small, kimono-medium, kimono-large. Then, the hospital can respond, "Yes, we can use medium & large, but not small."

I encourage you to send items directly to the hospitals. Be sure to use the complete address & the title of the liaison person on each package. Enclose your items in plastic bags or line the box with a plastic trash bag to prevent water damage. There is no need to package each item individually. I encourage you to attach a small Care Wear Volunteers label—with your name—to each donated item. Please enclose one large Care Wear label with your full name & address in each delivery. Some of the hospitals will send personal replies to acknowledge every shipment--large or small. Others do not. I suspect that staff members are busy with urgent life-saving efforts. In some cases, your items are divided among several departments & the recipient may not know who sent the lovely hats & booties. Enclosing a self-addressed postcard or envelope may help ensure a reply. In any case, don't let the lack of a response discourage you. Your efforts are greatly appreciated. (Note: You might wish to send elsewhere if you NEVER receive even a brief acknowledgment of receipt.)

As more & more people learn of the needs of neonatal intensive care units (NICUs), some hospitals may be "flooded" with very tiny hats. PLEASE make hats in a range of sizes, as well as blankets, mittens, &/or burial garments. There are full-term infants in NICUs, too. PLEASE contact your local hospital to learn what is needed. Chat with the Director of Volunteers, the Director of Child Life, the Nurse Manager of the Nursery or NICU, ICN, or Special Care Nursery, or the Director of Pediatrics. You might want to make colorful hats (with braids for children & teens) for young patients who undergo chemotherapy. Or, you might want to use these patterns to make hats & mittens or a scarf for children in a homeless shelter. Or, you might want to contact social service organizations that work with families in need or foster children. Or, you might want to make lap blankets or walker caddies for geriatric patients at the hospital or local nursing homes.

You can provide warmth & comfort to residents of your own community! You will make a difference in the lives of others. This is a very rewarding project!

**Note:** Care Wear Volunteers participants provide the supplies for their projects & deliver directly to hospitals, nursing homes, social service agencies, etc... A quarterly newsletter provides patterns, information, & hospital updates. See current & previous issues on [www.carewear.org](http://www.carewear.org). See *Index of Patterns* for help locating a specific pattern. Contact Bonnie Hagerman if you do not have Internet access to read the newsletter.

Here is how Care Wear Volunteers got started. I read this article in December 1990, located my knitting needles, & the rest is history!!!!

A SEASON OF  
LOVE,  
A SEASON OF  
JOY,  
A  
Reason  
FOR  
Sharing  
...

*Here's the perfect opportunity to share a little bit of yourself  
and your talents with babies in need of extra-special care.*

BY CAROLE SHELLEY YATES

**C**rafters who knit, crochet, and sew have transformed a neonatal intensive care unit in Akron, Ohio, from a sterile atmosphere into a rainbow world of babies wearing tiny stocking caps and booties in colors that celebrate the holidays, seasons, and life itself. This volunteer project at Children's Hospital Medical Center started nine years ago and now provides much-needed garments each month for 100-150 premature babies, some of whom have major health problems.

If you're looking for a Christmas craft project, or perhaps one that

extends year-round, you can volunteer to knit or crochet tiny caps and booties, or sew small kimono-style gowns for premature infants in children's hospitals across the country. Children's hospitals welcome all of these garments, says Susan Bales, public relations person for the National Association of Children's Hospitals and Related Institutions. Even in a hospital's controlled environment, the tiny babies still need caps and booties for warmth. Their bodies, however, are too small for newborn-size clothes (some of the infants weigh less than 1 pound).

CHRISTMAS IDEAS 1990

At the Children's Hospital of Akron, nurses used cut-off tube socks to cover the infants' heads before volunteers started providing garments that fit, says Marilyn McGuckin, director of volunteers. "We now have a core of volunteers who regularly donate the most creative garments. Besides stocking caps, volunteers make tam hats, caps topped with big pom-poms, and others knitted in bright seasonal, holiday, and school colors."

Volunteers also are needed to make small mittens to keep some infants from pulling out stitches. In addition, doll-size kimono gowns can be sewn from soft, fire-retardant flannel materials for the babies.

"The babies in our neonatal intensive care unit start out so small, but after they progress through several stages, gain weight, and become healthier, then they go home wearing colorful caps and booties," McGuckin says.

"The caps-and-booties program is one of many examples of what volunteers in a community can do to support their children's hospital," remarks William H. Considine, president of Children's Hospital Medical Center of Akron. "It requires just a small investment of

time and money, but it means so much to the families of these infants. The caps and booties provide these families' with a special keepsake of their baby's first days in this world. The program also provides a human touch of kindness at a critical time for parents and their newborn child."

Marie Parker, a new mother from Akron, supports Considine's comments. Her twin daughters were born last August and stayed in the Children's Hospital neonatal intensive care unit for three weeks.

"The caps and booties on the babies help take away some of the sterility of the high-risk unit; they help lighten up a serious situation," says Parker. "It's emotionally difficult to see your baby in an intensive care unit, hooked to a monitor and in an incubator. Parents are so worried about their children, but I noticed parents often giggled or smiled when they saw their baby wearing a perky cap."

For the Parkers, the caps brought an additional benefit. "They helped us tell our twins apart!" Marie Parker says. "Taylor wore a pink cap with a white fluffy ball on it and Brittany had a smaller pink hat."

If you want to glow inside this Christmas and all year-round, use

your crafting skills to help others by knitting, crocheting, or sewing infant garments for children's hospitals. Instructions and patterns for six projects are given on the next four pages.

For a local listing of hospitals that are members of the National Association of Children's Hospitals and Related Institutions, send in a self-addressed, stamped postcard to NACHRI, Attn.: Volunteer Coordinator—Baby Garments, 401 Wythe St., Alexandria, VA 22314. You'll not only help keep a precious baby warm, you'll also warm your own heart and busy hands.

## GENERAL INFORMATION (KNIT & CROCHET)

1. Yarn for hats should be washable (not wool). Wool may be used for blankets or slippers for older children, but should be clearly labeled.
2. Do NOT smoke or work on projects in a room where someone is smoking.
3. Keep these projects away from dogs, cats, or other pets.
4. You may use partial skeins leftover from your projects. Combine colors into stripes.
5. Seasonal colors, pastels, football team colors, bright colors, etc... may be used.
6. Wash hats that become soiled in construction. Do NOT use fabric softeners or sachet.
7. Package your completed items in plastic bags or tissue paper to protect from soil. More than one item may be placed in a plastic bag.
8. Make hats that are STRETCHY. These will fit various sizes & be more comfortable.
9. Use very SOFT yarn for preemie and full-term hats.
10. Fabric paint is a suitable alternative to embroidery on toys & finger puppets.
11. Keep booties in pairs with yarn or a large safety pin. NO STRAIGHT PINS, please!!!
12. Booties stay on best if there's a ribbon or chained yarn tie around the ankle. Even if the pattern does not specify this, you can always add it. Secure ribbons or chains with a few hand stitches to prevent pulling out & swallowing.
13. Pompoms should be tied on—not glued on. Pompom makers are available in local craft stores or made by wrapping yarn around a 1.5" x 2" piece of cardboard.
14. A satin ribbon bow on the top of a hat is easier & less bulky. Thread 1/4" satin ribbon onto a tapestry needle. Weave in & out of the top of the hat. Tie a bow!

### SIZES:

When knitting or crocheting, please keep in mind the approximate sizes for these infants. Head sizes for the infants in a Neonatal Intensive Care Unit vary from the size of a LIME or LEMON to larger than normal for full-term infants. Full-term, extra-large preemie, large preemie, and medium preemie sizes are the most requested sizes.

Here is a size chart (BODY MEASUREMENTS) for your reference.

Baby weight	Head circumference	Chest circumference	Foot length
1½ to 2lb	8½" to 9"	8½" to 9"	1"
2lb to 3lb	9½" to 10"	9" to 10"	1½" to 2"
3lb to 4lb	10½" to 11"	10" to 11"	2" to 2½"
5lb to 6lb	12" to 12½"	12" to 13"	2.5" to 3"
6lb to 7lb	13" to 13½"	13"	3" to 3½"
7lb to 8lb	14" to 15"	13½"	3½"
8lb to 10lb	16"	14"	3½"

# KNIT PATTERNS

## BASIC KNIT HAT

**MATERIALS:** soft, washable, 4-ply yarn

(Note: Four-ply yarn varies in thickness so adjust your work to achieve the finished sizes shown.)

**NEEDLES:** Size 6, 7, or 8 (to achieve the sizes shown)

### DIRECTIONS:

- Cast on the number of stitches shown for the size.
- Knit 1, Purl 1 across each row to create 1" of ribbing.
- At one inch length, change to stockinette & continue knitting until you reach the lengths indicated at left.
- Draw all stitches together tightly at the top by weaving yarn through all of the stitches on the needle. Knot securely.
- Weave seam edges together using matching yarn.
- Optional: Tie on a pompom or tie a ribbon bow on top.

### NOTES:

1. Cast on LOOSELY so the hat has good stretch.
2. You may knit the entire hat in a ribbing stitch.
3. You may wish to decrease (K2 tog) as you knit rows near the top of the hat (1" from the top) to reduce the bulk when pulling the top closed.
4. You may substitute smaller needles and/or 3-ply yarn. Simply knit to the dimensions shown.
5. If your 4-ply yarn is thick and stiff, don't use it for the very small sizes. Use a 3-ply yarn instead and cast on a larger number of stitches to achieve the same finished size.
6. Use double-pointed needles to omit the seam.
7. Use leftover yarns in stripes. Arrange any way you wish. See illustrations below.
8. As you can see, premie head sizes vary from the size of a lime to full-term sizes. Within this range, gauge is not critical. If STRETCHY, your hat will be used.

## KNIT PATTERNS

### THE PERFECT KNIT PREEMIE CAP

#### MATERIALS:

Soft baby or sport weight yarn, any pastel color or pastel ombre's.  
Never use wool as some infants may be allergic.

#### NEEDLES: size 4 and 6

This is a rib pattern that will be visible after 3-4 rows.

#### SIZES:

Extra small: 29 st x 3 ½ inches long before decrease

Small: 33 st X 4 inches long before decrease

Medium: 37 st x 4 ½ inches long before decrease

Large: 41 st x 5 inches long before decrease

#### DIRECTIONS:

- Row 1: with size 6 needles, loosely cast on 29 (33, 37, 41) stitches.
- Row 2: knit 2, purl 2 across row, ending K 1.
- Row 3: change to size 4 needles, K 2, P2 across, ending K1.
- Continue in this manner until piece measures 3½ (4, 4½, 5) inches.
- First decrease row: k 1, k 2 tog across row. Purl one row.
- Next row: k 3, k2 tog across. Purl one row.
- Next row: k 2, k2 tog across. Purl one row.
- Cut yarn leaving about 12 inches and thread onto a yarn needle. Thread through remaining stitches and pull up tightly,
- Sew seam from bottom and knot off well with piece of yarn used to gather top,
- Cut ends to ¾ in.
- Tie on a pompom if desired.

Because these preemie hats keep their shape so well, they can be turned up and be used on tiny babies. They then stretch as the little head grows and the cuff can be adjusted.

This rib pattern can be used for any size hat, for children or adults, using larger needles and worsted weight yarn, increasing number of stitches and length of piece as needed. Always be sure to cast on a multiple of 4 stitches plus one and work all rows in k 2, p 2 until decrease rows, so the unique ribbing will appear. These hats, though very stretchy, hold their shape well.

## THE PERFECT PREEMIE HAT--variation March 2005

(Seamless hat using double-pointed needles—by Shirley Brunner)

**MATERIALS:** soft baby or sport weight yarn

**NEEDLES:** #4 Double Pointed

### **DIRECTIONS:**

Cast on- X-small: 28 sts x 3½" long, before decrease  
                                Divide 8-8-12      Makes 7 Ribs  
                  Small: 32 sts x 4" long, before decrease  
                                Divide 12-12-8      Makes 8 Ribs  
                  Medium: 36 sts x 4½" long, before decrease  
                                Divide 12-12-12      Makes 9 Ribs  
                  Large: 40 sts x 5" long, before decrease  
                                Divide 14-14-12      Makes 10 Ribs  
  
                  (A multiple of 4 sts, will make hat larger)

### **PATTERN:**

Row 1: K2, P2, ending with P2  
Row 2: K1, P2, K2 repeat P2, K2 around, end K1.  
Continue these 2 rows until desired length before decrease.

### **Decrease Rows**

Row 1: K 2 together all around.  
Row 2: Knit all around.  
Row 3: K2 together all around  
Row 4: Knit all around

Then leave a long thread and draw remaining stitches together and tie off. A pom-pom or bow may be added. I make a "pig tail" by bringing yarn to the front and crochet about 10 chains, sc back (this causes it to curl). Pull yarn to the underside and fasten off. By fastening off this way the "pig tail" can be cut off if not desired.

Shirley wrote,

I modified this hat by eliminating the K2 & P2 band at the start. As the pattern is the same on each side (inside & outside), the hat can be folded to accommodate the baby's head as it enlarges. I use DP needles and I knit Continental style so switching from K to P often, with this pattern, is fast & easy.

When casting on, I do this on two needles BUT the first stitch is put on one needle, then I add the other needle & finish casting on. Then divide your stitches on 3 needles & join. BE CAREFUL you don't lose that first cast-on stitch as it gives a snug fit when joining. Then use the tail from casting on along with the yarn you are going to use to knit the hat. Do 2K (give both threads a tug), P2 and give the threads a tug, too. Then do the pattern with the yarn from the ball.

After doing the pattern for about 4 rows I take a bright color yarn to mark the beginning of my 1st needle. Go back to the 1st row & loop this yarn around the 1st stitch on the first needle. Follow the pattern.

### OSCAR'S CAP (3 SIZES)

This photo appeared in the *Frederick News-Post* when 5 sets of twins were born in a 36-hour period at Frederick Memorial Hospital. Oscar was one of the twins in the NICU. Many Care Wear participants noticed his cute hat & requested the pattern!!!

**Small: (8"-9"). Medium: (10"-11"). Large: (11"-12") circumference.**  
**Measurements are based on CAREWEAR patterns.**

**Materials:** Bernat Softee Baby (2 skeins, one white, one pastel) (or use two strands of one color).

Hats were made with this yarn because it is soft - Red Heart Soft Worsted (1 thickness of yarn) should work.

**Size 7 needles.**

**Gauge:** 4-5 stitches = 1 inch (approximately)

Using 2 strands of yarn and #7 needles cast on 36 (44, 48) stitches **VERY LOOSELY** (or use a larger size needle) and work in **K2, P2** ribbing for 1 inch. **FOR THE MEDIUM SIZE ONLY DECREASE 2 STITCHES IN THE LAST ROW.**

**Work in pattern for 3-1/2" (4-1/2", 5-1/2"):**

**Pattern:**

<b>Row 1:</b>	<b>Purl</b>	<b>Row 3:</b>	<b>Purl</b>
<b>Row 2:</b>	<b>Knit</b>	<b>Row 4:</b>	<b>K2, P1 to end of row.</b>

**Shape crown: (right side facing)**

<b>Row 1:</b>	<b>K4, K2 tog., repeat to end of row (30, 35, 40 sts).</b>
<b>Row 2,4,6,8</b>	<b>Purl.</b>
<b>Row 3:</b>	<b>K3, K2 tog., repeat to end of row (24, 28, 32 sts.)</b>
<b>Row 5:</b>	<b>K2, K2 tog., repeat to end of row (18, 21, 24 sts.)</b>
<b>Row 7:</b>	<b>K1, K2 tog., repeat to end of row (12, 14, 16 sts.)</b>
<b>Row 9:</b>	<b>K2 tog around (#6, #7, 8 sts.)</b>
<b>Row 10:</b>	<b>K2 tog. around 0, 0, #4 sts.)</b>

**# Cut yarn, leaving long end. Weave through remaining stitches, draw up tightly and fasten off. Sew Seam/ Make a pompom for top of hat if desired.**

**ADJUSTMENT FOR WORKING ON FOUR DOUBLE POINTED NEEDLES: Knit rows 1, 2 and 3; Row 4: Purl 2 Knit 1 to end of round. In the crown shaping all rows will be knit stitch.**

After seeing Oscar on the cover of the MARCH 2010 newsletter, Heather Rinkel created this pattern for the JUNE 2010 Care Wear Volunteers newsletter (p. 3). See Jean Corazza's variation of that pattern in the SEPTEMBER 2010 newsletter (p. 11). See page 21 of that SEPTEMBER issue for Heather's booties to match Oscar's hat. ## KNIT PATTERNS

### KNITTED BERET

MATERIALS: 3 ply baby yarn  
Size # 3 or #4 needles

#### DIRECTIONS:

- Cast on 8 stitches, purl back.
- Row 1: Knit 1, yarn over (YO), Knit 1, YO, all across row, always ending with K1.
- Row 2: Purl back
- Row 3: Knit 2, YO, knit 2, YO, all across row, ending with K1
- Row 4: Purl back

Continue increasing this way until desired size (Preemie beret measures 4.5" deep. Adult size is 8.5" diameter. That is about 10 YO increases for preemie & 25+ for adult.) THEN, knit rows for about one inch.

-Change to stockinette & decrease (K2 together) every 10th or 11th stitch on every knit row until there are 44 stitches on the needle for preemie size or 90 stitches on the needle for adult size.

-Knit 1, Purl 1 for about one inch or more.

-Bind off. Sew or crochet hat together. Tie on a pompom or bow.

Knit Beret

*NOTE: You are knitting from the top of the beret downward—ending with the ribbing bottom.*

## COATS & CLARK

This is a WONDERFUL free project sheet from Coats & Clark, Inc. There is a hat pattern for every head size and yarn weight. However, the preemie hat pattern at 12" circumference is an X-Large (almost full-term hat size). For the range of smaller preemie hats see the Care Wear patterns on page 9.

Here is a good pattern that you can use with variegated yarn, in patterns of stripes using leftover colors, as well as solid colors. Tie on a pompom or weave in a narrow satin ribbon for a bow on top.

### SEAMLESS PREEMIE & NEWBORN PUMPKIN HAT

**Materials:** 4 ply worsted weight yarn orange and small amount of bright green for stem.\*  
double pointed needles #6 and #8

**DIRECTIONS:** small preemie given, medium and large preemies and newborn in (). With orange and LARGER needles, starting with a single loop, which counts as a knit st, double cast on 36 (42- 48-54) sts in (K1, P1) rib pattern on 3 needles. Being careful not to twist sts, join by knitting the single loop at the beginning with the tail end of the yarn. This eliminates a bump at the joining. Change to SMALLER needles and work rib pattern for 1 ½" (2"- 2 ½"-3").\*\* Change to LARGER needles and work hat pattern:

Rnd 1: [K5 (6-7-8), P1] around. Repeat this rnd until total length is 3" (4"-5"-6") from beginning.\*\*

**DECREASE** as follows:

Rnd 1: [(Slip the next st onto the tip of the right hand needle knit-wise and return it to the left hand needle, reversing the direction of the st on the left hand needle, then K2 tog in back loop = SR2B), K to last 2 sts before P st, K2 tog, P1] around - 24 (30-36-42) sts.

Rnds 2 and 4: (K all K, P all P) around.

**For small preemie only:**

Rnd 3: (K2 tog, P2 tog) around - 12 sts.

Rnd 5: K2 tog around - 6 sts. Leaving a 6" tail, cut orange. Work stem.

**For medium preemie only:**

Rnds 3 and 4: Repeat rnds 1 and 2 - 18 sts.

Rnd 5: (K2 tog, P1) around - 12 sts.

Rnd 6: as rnd 2. Leaving a 6" tail, cut orange. Work stem.

**For large preemie only:**

Rnds 3 and 4: Repeat rnds 1 and 2 - 24 sts.

Rnd 5: (K2 tog, P2 tog) around -12 sts.

Rnd 6: as rnd 2. Leaving a 6" tail, cut orange. Work stem.

**For newborn only:**

Rnds 3-6: Repeat rnds 1 and 2 twice - 18sts.

Rnd 7: (K2 tog, P1) around- 12 sts.

Rnd 8: as rnd 2. Leaving a 6" tail, cut orange. Work stem..

**STEM:** With green and SMALLER needles, knitting all sts onto one needle as you go along, K2 tog around 3 (6-6-6) sts.

Next row: Slide sts to other end of needle. Bring the yarn around the back of the sts to the first st and knit all sts. Repeat for 5 (6-7-9) rows\*\* or desired length for stem. Next row: K2 tog 0(3-3-3) times. [Congratulations! You have just made an "I(diot) Cord". Very useful for bonnet and cap ties, purse handles, connecting mittens through coat sleeves, etc.] Leaving a 6" tail, cut green, thread on yarn needle and pull through remaining sts, gathering them tightly.

**FINISHING:** Work needle through stem from top to bottom and pull on it gently, making the stem curve. Secure end firmly. Snug up orange and green ends tog where they meet on inside of hat to close any gap between the colors and knot them together. Weave in ends.

Weave cuff end on the inside of the turn up.

Be on the look out for the Great Pumpkin and report any Charlie Brown sightings in nurseries.

\*If anybody finds a source for reasonably priced sport weight yarns we can use (not wool), I could work up patterns for needle sizes #3 and #5 and #4 and #6.

\*\*None of these measurements are carved in stone. Whatever looks "right" is OK.

## SEAMLESS JESTER-TYPE HAT

Note: Knit a hat in each yarn and each set of needle sizes to see different gauges.

Materials: 3 ply sport weight yarn  
double pointed needles in sizes  
#3 & #5; #4 & #6; #5 & #7.  
and/or  
4 ply worsted weight yarn  
double pointed needles in sizes  
#4 & #6; #5 & #7; #6 & #8; #7 & #9;  
#8 & #10; #9 & #10 ½; #9 & #11

DIRECTIONS: With LARGER needles, starting with a single loop, which counts as a knit st, double cast on 60 sts on three needles (20-20-20) in (K1, P1) rib pattern. Being careful not to twist sts, join by knitting the single loop with the tail end of the yarn. Return this st to the left hand needle. Tug on tail to snug up the join. This eliminates a bump at the joining. Change to SMALLER needles and work in rib pattern as established for 20 rounds. Change to LARGER needles and work in stockinet st (knit all rounds) for 20 rnds. Then, K30, and put on one needle.

See \* and directions for finishing.

\*\*\*\*\*

### JESTER TYPE HAT WITH SEAM "B"

Note: Knit a hat in each yarn and each set of needle sizes to show different gauges.

Materials: yarns same as above  
straight needle sizes same as above

DIRECTIONS: With LARGER needle, double cast on 61 sts in (K1, P1) pattern, end K1. Change to SMALLER needle. Work in rib pattern as established: K all K and P all P as they appear for 20 rows. Change to LARGER needles and work stockinet st:  
Row 1 (right side = rs): Knit  
Row 2 (wrong side): Purl  
for 20 rows. Then, on rs, K31. Fold hat, wrong sides tog. See \* and directions for finishing.

\*Please note: Until this hat is put on a precious little head it's just a bland rectangle.

FINISHING: For "A": With yarn end you're knitting with, measure back and forth across 30 sts on needle four times; add about 6" and cut yarn. For "B": Do as above but also add enough yarn needed to sew side seam. Weave top tog. Weave cuff yarn end on inside of turn up. NOW! Securely attach a pompom, bell, star, etc. to the "ears" or "horns" in a spiffy color. You just made a hat and a swatch for each yarn/needle combination. You're so smart!

If weaving is new to you, practice this way: Cast on 20 sts. Work st st for 6 rows. Next row: With contrasting color yarn, K across. Cut contrasting color, leaving about a 2" tail. With another contrasting color yarn, right side facing, work st st for 6 rows. Bind off loosely. You now have two pieces joined by a separate length of yarn. Look carefully at the way the yarn goes in and out for the joining. This is how you will weave the hat top together. Thread a blunt tapestry needle with a length of yarn four times the width of the swatch plus 6". Go to the start of the first contrasting yarn knit row. Slowly pull out the yarn that made the first st and as you do, follow it exactly with the threaded needle, snugging up each st as you go along. Do that across the row, checking that the sts you've made look just like the sts that haven't been pulled out of the other end of the row. You should be ready to weave the hat top tog now. If unsure, you can see instructions in "how to knit" books or on line at [www.knitting-crochet.com](http://www.knitting-crochet.com).

## SEAMLESS PREEMIE & NEWBORN ARAN STYLE HAT #14

**Materials:** 3 ply sport weight yarn, ( a pattern for an experienced knitter)  
double pointed needles #4 and #6  
OR 4 ply worsted weight yarn,  
d p needles #6 and #8

**DIRECTIONS:** preemie given, other in ( ).  
With **larger** needles, starting with a single loop, which counts as a knit st double cast on 44(66) sts in (K1, P1) pattern. Being careful not to twist, join by knitting the single loop with the tail end of the yarn. Return K st to left hand needle (LHN). Tug on end to tighten st. Change to **smaller** needles and work in Twist Rib pattern for 11(22) rnds. Change to **larger** needles and work in hat pattern – multiple of 22 sts.

Rnd 1: (K4 – P2 – K3 – P2) around.

Rnd 2: (K4 – P2 – K1 in bl, P1, K1 in bl – P2) around.

Rnd 3: (2B – P2 – K3 – P2 – 2F – P2 – K3 – P2) around.

Rnd 4: as rnd 2.

Repeat these 4 rnds for pattern. End after 11(23) rnds [3(6) cables] have been completed.

**Decrease** as follows:

Rnd 1: [(K2 tog) twice – P2 tog – K2 tog in bl, K1 in bl – P2 tog – SR2B twice – P2 tog – K2 tog in bl, K1 – P2 tog] around – 24 (36) sts.

Rnd 2: (K2 – P1) around.

Rnd 3: Slip first st as if to P, (SR2B – K2 tog in bl – K2 tog) around to last st. K last st and slipped st tog – 12(18) sts.

Rnd 4: K around.

Rnd 5: K2 tog around – 6(9) sts

Rnd 6: Lay yarn over LHN in front of first st and pull sts over it one by one. All sts are off needles and one st remains.

Allowing for a 6" tail, cut yarn and pull through this last loop.

**FINISHING:** Thread yarn needle, drop through hole, turn hat inside out, pull up yarn tightly to close hole and weave yarn end through last sts twice, then through several sts outside circle. Weave in cuff yarn end on inside of turn up.

**TWIST RIB PATTERN;**

Rnd 1: [K1, P1 in back loop (bl)] around.

Rnd 2: (K1 in bl, P1) around.

Repeat these two rounds for pattern.

**2x2 BACK CABLE PATTERN = 2B:**

No extra "cable needle" needed!

Drop 4 sts from LHN. (They will NOT run away.) With LHN in back, pick up first 2 sts. With right hand needle (RHN) in front, pick up last 2 sts and slip them onto LHN. Sts are now in proper order to knit a front cable cross.

**2x2 FRONT CABLE PATTERN = 2F:**

Drop 2 sts from LHN. (They won't run away, either.) With RHN in back of these 2 sts, slip the next 2 sts onto RHN. With LHN in front, pick up first 2 sts. Slip sts from RHN onto LHN. Sts are now in proper order to knit a front cable cross.

## SEAMLESS SANTA HAT

### SEAMLESS "SANTA" HAT

**Materials:** Red Heart Baby Sport Pompadour – red  
 OR 3 ply sport yarn - red  
 3 ply sport yarn – white and  
 double pointed needles #5 and #9.  
 crochet hook size G

**NOTE:** Red yarn is stiffer and works up heavier than white, so larger size needles are needed.

**DIRECTIONS:** Preemie given, newborns in ( ). With white and LARGER needles, starting with a single loop, which counts as a knit st, double cast on 54 (60-68) sts in K1, P1 rib pattern on 3 needles. Being careful not to twist sts, join by knitting the single loop with the loose yarn end. Return knit st to left hand needle (LHN). Tug on end to tighten st. This eliminates a bump at the joining. Change to SMALLER needles. Work in (K1, P1) rib for 2" (2 ½"- 3"). Break off white. Change to LARGER needles. With red, knit even around until total length is 4"(5"-6"). K 27 (30 - 34). place marker, K to end.

**DECREASE** as follows:

Rnd 1: \*K2 tog - K to 3 sts before marker, (slip the next st knit-wise onto right hand needle and return it to left hand needle, reversing direction of st) – K2 tog through back loop, K1\* – slip marker then repeat between \* \* once.

Rnds 2 and 3: K even around.

Repeat these 3 rnds until 6 sts remain in dec. rnd. Lay yarn over needle in front of first st and pull sts over it one by one. Allowing

yarn for finishing, cut red and pull through last loop. Thread yarn in tapestry needle and drop through hole. Turn hat inside out, pull up yarn tightly to close hole and weave yarn through last rnd twice, then through a few sts outside circle.

**BELL:** With crochet hook and white, leaving a 4" tail, wrap yarn around finger twice, making a ring. Sl st into ring, ch 2 (3) – 6 half dc (dc) into ring - sl st into top of ch 2(3) – ch 2(3). Cut yarn, leaving a tail for finishing. Pull yarn through hole and pull up tightly on starting yarn to close hole, forming a bell shape. Thread both yarn ends together in tapestry needle and weave them through last rnd of hat, (cleverly, so white doesn't show) twice, attaching bell securely. Poke needle through center, turn hat inside out and weave in ends. Did I say it would be easy? It's cute, though, isn't it? For larger bells, tr cr or 2 rnds of half dc or dc and more sts in ring. A pom-pom can be used instead of a bell.

**AFTER** you have made two hats for Care Wear, make a set for your family, then use remaining yarn for more Care Wears.

**DIRECTIONS** for toddler (child - woman - man), using 4 ply worsted weight yarn, dp needles #6 & #10: With LARGER needles, double cast on 60 (68 – 76 – 80) in (K1, P1) pattern. Change to SMALLER needles and work in rib pattern for 4"(5" – 6" – 6"). Change to LARGER needles and work in plain knit until total length is 8" (10" – 12" – 12"). Next rnd: K 30 (34 – 38 – 40), place marker and work decrease as above.

FOR SPORT WT and #5 & #9 dp needles: dbl cast on 80 (88 – 100 – 108) and work as above. For decrease: K 40 (44 – 50 -54), place marker and work decrease as above.

dec = decrease

rnd = round

dc = double crochet

K = knit

## CHILD'S HAT WITH BRAIDS

**Materials:** 1 skein knitting worsted yarn (Lion Brand Wool-Ease) (will make more than one hat)  
1 skein worsted yarn to make braids, color black, red, brown, or blond.  
Double point knitting needles, size 5 and 6.  
Hat can also be made using two needles.

**Gauge:** 5 stitches to 1" on #6 needles

With smaller needles, cast on 80 ( 90 ) stitches. Join, being careful not to twist stitches. Work 6 rows in garter stitch.

Change to larger needles and work 5-1/2" (6") in stocking stitch (or pattern of choice). If using two needles end with a purl row.

**Next row:** \*K6 (K7), K2tog\* repeat from between \* to end of row.

**2nd Row:** Knit (Purl if using two needles)

**(& all even rows)**

**3rd row:** \*K5 (K6) K2tog\* repeat between \* to end of row.

**5th row:** \*K4 (K5) K2tog\* repeat between \* to end of row.

Continue in this manner, having one stitch less in each repeat, until 10 (20) stitches remain.

**Next row:** k2tog. across row.

Cut yarn, pull yarn through remaining stitches and fasten off. Make pompom if desired. For a variation instead of a pompom: continue to K2tog. each row until you have 4 stitches left and then knit an I-cord for about 8 rows, fasten off, tie it into a knot or make a top-knot.

If using two needles sew up back seam.

**TO MAKE BRAID:** Make 2

Cut 15 strands of yarn per braid approximately 18 to 20 inches in length. Tie with separate strand of yarn in middle, fold in half. Divide the resulting 30 strands of yarn into 3 groups of 10 and braid. Using the yarn which you tied in the middle, attach braid on each side of hat. Rather than cut the thread, pull it through the braid (that way the braid can be removed and re-attached if it's not in the right place!). I then attach a bow or a rose to hide where the braid was attached.

## TEDDY BEAR

### MATERIALS:

- #3 dp needles with 3-ply sport or 3-ply yarn
- #4 dp needles with 4-ply yarn
- #6 dp needles with Red Heart Knitting Worsted "Fleck" yarn

### DIRECTIONS FOR BEAR:

**[Garter Stitch = Knit one row, Purl next row]**

- Using main color, cast on 20 stitches for a leg.
- Work in a round (rd) in garter stitch over entire bear.
- Work until leg measures 1 $\frac{3}{8}$ " (3 $\frac{1}{2}$  cm).
- Set first leg aside on a holder and work a second leg to match.
- Place both legs on needles together and work as 1 rd.
- Cast on 2 new sts at center front & center back, where legs meet – 44 sts on rd.
- Work for 2" (5 cm).
- On next rd, cast on 20 new sts on left & right side of body for arms.
- Work over this larger rd for 1 $\frac{3}{8}$ " (3 $\frac{1}{2}$  cm).
- On next rd, cast off 30 sts on left & right side to complete arms.
- Continue to work in a rd over neck and head.
- Increase in the following manner:
  - Increase 2 sts on each side every other rd 3 times and then every fourth rd 1 time.
- Work without increasing for 1 $\frac{1}{2}$ " (4 cm).
- Cast off.
- Sew arms and legs closed, gathering ends slightly.
- Stuff bear and sew head closed.
- Sew diagonally down across corners of head to make ears (as shown in photo).

### SCARF:

Using contrasting color, cast on 7 sts.  
Work back & forth in garter stitch until scarf measures approximately 12".  
Wrap scarf around bear's neck & tie.  
Sew the knot down to fasten scarf to bear.

### FACE:

Embroider or use textile paint for the eyes, mouth, and nose.

Doris K sent the pattern for this adorable bear! She wrote that she found these directions in an old Norwegian knitting book. We discussed the age of the book and the likelihood of copyright violation. We agreed that it should not be a problem. Doris knits these for her granddaughter and writes that the bears are fun and fast to knit! *Very sweet! A child in the ER would love to hug one of these bears!*

## BABY BLANKET

(also known as the "washcloth" pattern)

### MATERIALS:

2 (8 ounce) skeins 4-ply yarn or two strands of baby or sport weight yarn.

**NEEDLES:** Size #10-13

### DIRECTIONS:

- Cast on 4 stitches.
- Row 1: Knit 2, yarn over (yo), knit to end of the row.
- Row 2: Knit 2, yo, knit to end of the row.
- Continue these two rows of garter stitch (knit every row) until one edge of the triangle measures the length you desire (between 32"- 36") OR you have used one skein of yarn. When you have reached this halfway mark, continue as follows.
- Row 1: K1, K2 tog, yo, K2 tog, knit to the end of the row.
- Row 2: K1, K2 tog, yo, K2 tog, knit to the end of the row.
- Continue these two rows until 4 stitches remain. Bind off.

(When there are too many stitches to continue working on straight needles, switch to a circular needle. A 29" circular needle works well.)

This blanket looks lovely when a satin ribbon is threaded through the eyelet holes and tied in a bow in one corner.

**DIRECTIONS:** Cast on 21 stitches

- Knit each row for about 1 inch.
- K1 \*yo, K2tog, repeat from \* to end of row.
- Knit 1 row.
- Knit 7 stitches, place on holder, increase 1 in next stitch, knit next five stitches, increase 1 in next stitch, place last 7 stitches on holder.
- Knit each row for 1 1/4" (center 9 stitches only). Cut yarn leaving 4-5 inch strand.
- Attach yarn & knit stitches from second holder, pick up & knit stitches from 1st side of center piece, knit 9 center stitches, pick up & knit stitches from 2nd side of center piece, knit stitches from first holder.
- Knit each row for 6 more rows.
- Knit up to 7 center stitches, K2tog, K3, K2tog.
- Knit a row
- Knit up to 5 center stitches, K2tog, K1, K2 tog.
- Knit a row.
- Knit up to 3 center stitches, K3 tog.
- Knit last row, casting off as you do.
- Finish by sewing up bottom & back seams and weaving in leftover yarn.
- Thread ribbon through row with yarn overs.

## BABY BOOTIES

Using baby yarn & fine needles (size 1), you will produce a PREMIE SIZE. Increase to 24 stitches for a larger size.

It is recommended that you use double pointed needles & and work on the two booties at the same time to ensure two finished booties of the same size!

## KNIT SNUGLER (a positioning tool for NICU infants)

Designed by Sharri Shively. Permission to use for all Care Wear affiliates.

**Yarn:** 4-ply worsted or 3-ply baby sport or sport yarn

**Needle and Stitches:** Whatever gauge you determine that will give you a finished product of 5½" to 6" wide and 26" to 30" long.

**Gauge:** Use suggested gauge for making Care Wear 5½" to 6" hats. ([Page 9 Small or XS Preemie Hat](#))

Finished product should not be knitted too loosely, as it will stretch too much when being stuffed.

**Suggested Stitches:** Stockinette, garter, moss.

**Patterns:** Variegated yarn, stripes, ripple (just avoid loose, open stitches).

**Colors:** Keep it pastel, but have fun mixing leftover yarns.

**Note:** Knot colors when joining and leave at least a 2" tail; these tails can be worked to inside when stuffing.

## SEWING AND STUFFING THE SNUGLERS

### Version 1: Stuff as you finish

- When ending piece, do not cast off! Cut yarn at 45", place on sewing needle, and run yarn length through the stitches on the knitting needle.
- Remove from knitting needle; draw up stitches and lock stitch.
- Use the remaining length of the yarn to sew up the snuggler.
- Sew using a weaving stitch, one per row of knitting. Keep it loose to prevent a ridge, but don't get sloppy loose either.
- Stuff as you sew, filling at least 1/3 to 1/2 of the snuggler length at a time. The longer the piece of fiberfill, the less it will bunch when washed. Also, overlap the fiberfill ends at least 2", using a thinner thickness at the overlap edges, so there is no bump.
- The finished project should feel like a very soft loaf of bread when squeezed. It will bend over when held vertically, but not flop in half. One 20 oz bag of fiberfill will stuff 8 to 10 snugglers, depending on how loosely or tightly they are knitted.
- To end, lock stitch at end of sewn seam (if you don't lock stitch now, when you pull together it will pucker your seam). Run a gathering stitch around open end, pull tightly and lock stitch at least twice. Hide leftover length of yarn into body of snuggler by jabbing through and pulling out other side several inches away, then trim off whatever is sticking out.

### Version 2: Knit Now, Stuff Later

- Bind off, stow in purse, pocket or other until you are ready to stuff. Leave 45" yarn end for sewing later.
- To sew and stuff: Starting with bound off edge, run a gathering stitch, pull tight and lock stitch.
- Use the remaining length of yarn to sew as described in **Version 1**, ending the same way.

## TINY MITTEN PATTERN

This mitten pattern for 2lb. to 4lb. Babies is reprinted with permission from Ray of Hope; the pattern was submitted to them by Mary Garratt. The web page is based in England, so some of the terms are English, but are readily understandable. They have many interesting patterns for premature babies – you can check them out at [www.rayofhope.co.uk](http://www.rayofhope.co.uk) They will measure approx. 1-1/2" x 2" for the smaller ones and 1-3/4" x 2" for the larger ones (numbers in parentheses).

**Materials:** 4 ply wool (USA Sport/baby Standard Yarn Weight System #2, Fine) A 50gram ball will

make a lot of mittens.

3.25 (USA #3) knitting needles.

For even smaller mittens, use 3 ply baby yarn.

Cast on 25 stitches.

Work 3 rows in moss stitch [seed stitch]. K1, P1, starting each row with knit stitch OR

Work 3 rows of K.1, P.1 rib.

Work next 4 (10) rows in stocking stitch, beginning with a knit row.

Eyelet row: K.2, \*yo, K2tog, repeat from \* to last stitch, k.1.

Next row: P. 11 stitches, p2tog. P. 12 stitches. (24 stitches)

Work 8 (10) rows in stocking stitch, beginning with a knit row.

Shape top: Row 1: K.1, K.3tog., K.5, K.3 tog.tbl, K.3tog., K.5, K3tog.tbl, K.1.

Row 2: Purl.

Row 3: K.1, K3tog, K.1, K3tog.tbl., K3 tog., K.1. K3tog.tbl, K.1.

Row 4: Purl

Bind off remaining 8 stitches.

Sew side and top seam. Thread ribbon through eyelets.

Abbreviations: yo = yarn over

tbl – through back of loops

Thanks to Healthier Rinkel for reviewing this pattern & editing terminology for U.S. knitters.

## KNITTED BURIAL POUCH

The finished pouch measures approximately 8 1/2" long & 5-5 1/2" wide. (It is easy to adjust length & width according to the size needs of your hospital.)

Pattern designed by Elaine Pendleton for Care Wear Volunteers.

Materials: 4 ply yarn in white,

### Directions:

Size 10 needles

Cast on 40 sts

Row 1: 5K, P5 – across row

Row 2: 5K, P5, continue this for a total of 6 rows

On 7<sup>th</sup>, reverse: P5, K5 for a total of 6 rows

Basket weave pattern:

Estimated for a total of 12-13 sets of 6 rows

Bound off sts and sew up bottom and up 2-3" front

Make 2 bows for closures and add little flowers and bows to the top of each side

See the SEPTEMBER 2003 newsletter (p. 19) on the Care Wear Volunteers website (<http://www.carewear.org>) for a hooded burial bunting in micro-preemie size.

### TOYS

Do you have lots of leftover 4-ply yarn in "adult" colors? Consider making knit/fiberfill toys for hospitals to distribute. Look for toy pattern books (for knit or crochet) in your local craft shop. Use up your 4-ply black, rust, brown, grey, etc..... The local Frederick hospital gives a toy to every child in the ER to calm & distract. *It works!!!!*

## CROCHET PATTERNS

### DOUBLE CROCHET HAT

**MATERIALS:** Size F hook  
Baby or sport weight yarn

All rows are worked in *back loop only* (BLO); Two sizes

#### DIRECTIONS:

Chain loosely 28 (32); Dc in third ch from hook and in each ch across – 25 (29).  
Ch 3 and turn; Continue in this pattern for 20 rows (22).  
Fasten off leaving a yard long tail; Use tapestry needle to weave sides together.  
Weave around the top, pulling thread tight; Whip stitch to firmly secure the crown;  
Add a pom-pom or bow.

### SINGLE CROCHET HAT

#### MATERIALS:

Size F crochet hook  
Sport or baby weight yarn

All rows are worked in *back loop only* (BLO) to create rib effect

There is more demand for the larger sizes shown in parenthesis.

#### DIRECTIONS:

Chain 21 (25, 29, 32, 35) Sc in second ch from hook and in each stitch across.  
Ch 1 and turn.

Remaining rows:

Sc in BLO of each stitch; ch and turn.

Continue this pattern for 30 rows (36, 42, 50, 56).

Fasten off leaving a two-foot tail; thread tail through tapestry needle; Weave in end of stitches, joining sides of row 1 and the last row.

Continue to weave around the top, pulling tightly and whip stitching to firmly secure the crown; Add a pom-pom or bow, if you wish.

## CROCHETED SNUGLLER

This is a positioning tool for NICU infants.  
(Designed by Sharri Shively. Permission given for Care Wear to use.)

**MATERIALS:** H hook and 3- or 4- ply worsted yarn  
or approximately 4 oz baby sport or sport yarn

Acceptable finished length can be anywhere between 26" and 30"

### Version One:

Begin: CH 4, join with SL ST to make a ring.

Row 1: CH 2 (counts as first DC); DC 11 more in ring, join with SL ST (12 DC)

Row 2: CH 2 (in this row and all succeeding rows, this counts as first DC stitch); DC in same stitch as CH 2, (this creates an increase); 2 DC in each of 11 remaining DC; join with SL ST (24 DC)

Row 3: CH 2, 1 DC in each of remaining 23 DC, join with SL ST

Row 4: CH 2, 1 DC in each of remaining 23 DC, turn

Row 5-52: Repeat row 4

Row 53: Repeat row 3

Row 54: Decrease from 24 DC to 12 DC (to decrease: Insert hook, YO and pull through. Leaving yarn on hook, insert into next stitch, YO and pull through, YO and pull through 2 loops, YO and pull through 2 loops.)

Row 55: Decrease from 12 DC to 6 DC

Row 56: Decrease from 6 DC to 3 DC; end off, leaving a 6" length of yarn. With a needle, run yarn through top loops of yarn. With a needle, run yarn through top loops of final 3 DC with a gathering stitch and pull closed. Lock stitch shut. Hide excess length of yarn inside snuggler.

### Version Two:

Begin: CH 25

Row 1: DC in second CH from hook and in each remaining CH (24 DC); CH 2, turn.

Row 2-56: DC in each DC, CH 2, turn. (24 DC)

Finish off: Leaving yarn length 1½ times the length of the snuggler.

## SEWING AND STUFFING THE SNUGLLERS

### Version One:

The ends are already rounded and fastened for you! Using piece of yarn 1½ times the length of snuggler, sew shut, using a weaving stitch. (Use 2 stitches per DC). Lay stuffing in snuggler as you sew, filling at least 1/3 to ½ at a time. The longer the piece of fiberfill, the less it will bunch when washed. Also, overlap the fiberfill ends at least 2" using a thinner thickness at the overlap edges so there isn't a bump. Finished product should feel like a very soft loaf of bread when squeezed. It will bend over when held vertically, but not flop in half. One 20 oz bag of fiberfill will stuff 8 to 10 snugglers, depending on how loosely or tightly they are crocheted.

### Version Two:

On one end, using an 8" piece of yarn, run a gathering stitch through the top of each DC, draw tightly, and knot securely. Hide ends inside the snuggler. At the other end, using a piece of yarn approximately twice the length of the snuggler, gather this end as you did the first, using 8" of the yarn's end. Sew shut with weaving stitch as instructed in Version One, using the remaining length of the gathering yarn.

REPRINTED FROM THE DECEMBER 2003 NEWSLETTER

## CROCHET

FROM HEART TO HOOK

HAPPINESS IS....  
A BOX FULL OF HATS!  
DECEMBER 2003

Dear Friends,

Crochet is a wonderful and versatile craft and unlike its cousin, knitting, it is not limited to going back and forth in rows. One advantage knitting does seem to have is that it is much less bulky and it is sometimes easier to make a soft garment with it. And the softer the better when making things for our tiny babies.

Most of us have bags and boxes full of leftover worsted weight yarn that we would love to use for our baby projects. Unfortunately some of us have had the frustrating experience of having the finished piece turn out to be so stiff that we cannot use it. But worsted weight yarn can be used to make wonderful things for babies! The secret is to use a large enough hook that will keep the crochet nice and soft. The smaller the hook, the tighter (or stiffer) the finished piece will be.

The following hat patterns are made using a loose **gauge** (the number of stitches per inch of crochet). They are super quick to make and I know you'll think of lots of fun ways to change them and make them special. And the best part is that they use very small amounts of yarn and will put all of your scrap yarn to a very good use!

I hope that you enjoy the patterns.

### Abbreviations used:

ch(s)	chain(s)
dc	double crochet
FPdc	Front Post double crochet
hdc	half double crochet
Rnd(s)	Round(s)
sc	single crochet
st(s)	stitch(es)
YO	yarn over

### BASIC HAT PATTERNS

There are five basic hat patterns and any of them can be made in a solid color and used just as they are. But if you're in the mood to add a little something to them, try any of the 15 designs that begin with the basic patterns.

### MATERIALS

**Redheart Worsted Weight** or any worsted weight yarn that works to gauge (most hats use small amounts of yarn, but I didn't list the yarn amounts because of the extra amount of space it would require—I needed that space for more hat patterns!)

**Crochet hooks sizes I and G** or size needed for gauge  
**Yarn needle and embroidery needle**

### SIZES

Size Small: approximately 8"

Size Medium: approximately 10"

Size Large: approximately 11"

**Note:** Instructions are written for size Small with instructions for Medium and Large in parentheses.

**Most of the hats will work well in any size, but you may want to use a smaller size hook to make some of the "extras" (use the larger hook for the basic hat).**

### TO MAKE A GAUGE SWATCH

With **larger** size hook, ch 4; join with slip st to first ch to form a ring.

**Rnd 1:** Ch 3 (counts as first dc now and throughout), work 11 dc in ring; join with slip st to first dc: 12 dc.

**Rnd 2:** Ch 3, dc in same st as joining, 2 dc in each dc around; join with slip st to first dc: 24 dc.

**Rnd 3:** Ch 3, 2 dc in next dc, work (dc in next dc, 2 dc in next dc) around; join with slip st to first dc: 36 dc.

This piece should measure 4" across. If it doesn't, you'll need to start over and try a different size hook.

If it measured **less** than 4", try a **larger** size hook.

If it measured **more** than 4", try a **smaller** size hook.

When your piece measure 4" then you are ready to go and the good news is that you have finished the first 3 rounds of Basic Hat #1, size Large!

# CROCHET PATTERNS

**Rnd 1:** Ch 1, work (sc, dc) 5 times in ring; join with slip st to first sc: 10 sts.

**Rnd 2:** Ch 3, **turn**: work (sc, dc) in same st as joining, sc in next dc, \* work (dc, sc, dc) in next sc, sc in next dc; repeat from \* around; join with slip st to first dc: 20 sts.

**SIZE SMALL ONLY-Rnd 3:** Ch 1, turn; sc in first dc, work (dc in next sc, sc in next dc) 4 times, work (dc, sc, dc) in next sc, \* sc in next dc, work (dc in next sc, sc in next dc) 4 times, work (dc, sc, dc) in next sc; repeat from \* around; join with slip st to first sc: 24 sts.

**SIZE MEDIUM ONLY-Rnd 3:** Ch 1, turn; sc in first dc, work (dc in next sc, sc in next dc) 3 times, work (dc, sc, dc) in next sc, \* sc in next dc, work (dc in next sc, sc in next dc) twice, work (dc, sc, dc) in next sc; repeat from \* around; join with slip st to first sc: 26 sts.

**SIZE LARGE ONLY-Rnd 3:** Ch 1, turn; sc in first dc, dc in next sc, sc in next dc, work (dc, sc, dc) in next sc, \* sc in next dc, dc in next sc, sc in next dc, work (dc, sc, dc) in next sc; repeat from \* around; join with slip st to first sc: 30 sts.

**SIZE LARGE ONLY-Rnd 4:** Ch 3, turn; sc in next dc, (dc in next sc, sc in next dc) 3 times, \* work (dc, sc, dc) in next sc, sc in next dc, (dc in next sc, sc in next dc) 4 times; repeat from \* twice, sc in last dc; join with slip st to first dc: 36 sts.

**Rnd 5:** Ch 1, turn; sc in same st as joining, dc in next sc, (sc in next dc, dc in next sc) around; join with slip st to first sc.

**Rnd 6:** Ch 3, turn; sc in next dc, (dc in next sc, sc in next dc) around; join with slip st to first dc.

**Rnds 7-11:** Repeat Rnds 5 and 6 twice, then repeat Rnd 5 once more.

**Ribbing:** Work same as Ribbing for Basic Hat #1.

## BASIC HAT #4

Ch 18(22-26) loosely.

**Rnd 1 (Right side):** Hdc in third ch from hook and in each ch across: 16(20-24) hdc (do not count ch-2 as an hdc, now and throughout).

**Rnds 2-16(20-24):** Ch 2, turn; hdc in back loop only of each hdc across.

Finish off leaving a length for sewing. With **right** sides together, sew beginning chain and last row together through one loop on each side (so it will be a nice flat seam); stitch in place several times, but do not cut yarn.

Weave yarn end through end of each row, pulling tightly to gather and close the top. Secure end and finish off. Turn lower edge of hat to the right side to form the brim.

# CROCHET PATTERNS

### Materials

Bernat Softee Baby or any sport weight baby yarn that will work to gauge

1/4" satin ribbon

Buttons or appliqués, if desired

Crochet hook, size H or size needed for gauge

**Finished Chest Size: 11 "**

Try using fingering weight baby yarn for a smaller preemie size, or a very soft worsted weight for a full term baby size. Never hesitate to change a pattern or adapt it to work with the supplies you have on hand and the yarns you love to use. Just remember to keep it nice and soft for baby and always attach any buttons or trims securely.

### GAUGE

Working in pattern of one row of sc and one row of dc:

**20 sts = 4"**

If your swatch is smaller than 4", change to a larger size hook and try again.

If your swatch is larger than 4", change to a smaller size hook and try again.

## GOWN

Ch 27 loosely.

**Row 1 (Right side):** 2 Dc in fourth ch from hook, (dc in next ch, 2 dc in next ch) across to last ch, dc in last ch: 37 dc.

**Row 2:** Ch 1, turn; sc in each sc across.

**Row 3:** Ch 3 (counts as first dc, now and throughout), 2 dc in next sc, (dc in next sc, 2 dc in next sc) across, dc in last sc: 55 dc.

**Row 4:** Ch 1, turn; sc in each sc across.

**Rows 5 and 6:** Repeat Rows 3 and 4: 82 sc.

**Row 7:** Ch 1, turn; skip first sc, sc in next 12 sc, skip next 16 sc (for Armhole), sc in next 25 sc, skip next 16 sc (for Armhole), sc in last 12 sc: 49 sc.

**Row 8:** Ch 4, turn; dc in first sc, (ch 1, skip next sc, dc in next sc) across, ch 1, dc again in last sc: 26 ch-1 sps.

**Row 9:** Ch 1, turn; sc in first dc, 5 dc in next dc (Shell made), (sc in next dc, 5 dc in next dc) across, sc in third ch of turning ch: 13 Shells.

**Row 10:** Ch 3, turn; 2 dc in first sc, skip

next 2 dc, sc in next dc, work (5 dc in next sc, skip next 2 dc, sc in next dc) across to last sc, 3 dc in last sc.

**Row 11:** Ch 1, turn; sc in first dc, 5 dc in next sc, skip next 2 dc, (sc in next dc, 5 dc in next sc, skip next 2 dc) across to turning ch, sc in top of turning ch.

Repeat Rows 10 and 11 for pattern until Gown measures approximately 14" from beginning or until desired length, ending by working a right side row; do NOT finish off.

**Edging:** Working in end of rows along back, sc evenly across to neck edge, sc in free loops of each ch across neck, working in end of rows along other edge of back, sc evenly across to last row, slip st in last row; finish off.

### Sleeve

**Rnd 1:** With right side of Gown facing, join yarn with sc in underarm, skip next 2 sc, 5 dc in next sc, (skip next sc, sc in next sc, skip next sc, 5 dc in next sc) 3 times; join with slip st to first sc:

4 Shells.

**Rnd 2:** Ch 3, turn; 2 dc in same st as joining, skip next 2 dc, sc in next dc, (5 dc in next sc, skip next 2 dc, sc in next dc) around, 2 dc in same st as joining; join with slip st to first dc.

**Rnd 3:** Ch 1, turn; sc in same st as joining, 5 dc in next sc, skip next 2 dc, (sc in next dc, 5 dc in next sc, skip next 2 dc) around; join with slip st to first sc.

Repeat Rnds 2 and 3, 4 times or until Sleeve measures desired length, ending by working a right side row; finish off.

Repeat for second sleeve.

Weave ribbon through spaces at waist and tie in back (see Note on page 1).

Add ribbon or snap or Velcro closure at neck edge.

Weave in all yarn ends.

**Note:** You can sew the back seam part of the way, but if you are using this as a burial gown, most hospitals prefer that the back is left open.

## BOOTIES

Ch 9 loosely.

**Rnd 1:** 6 Dc in fourth ch from hook, dc in next 4 chs, 7 double crochet in last ch, working in free loops of beginning ch, dc in next 4 chs; join with slip st to top of beginning ch: 22 sts.

**Rnd 2:** Ch 3, dc in same st as joining, 2 dc in next 6 dc, dc in next 4 dc, 2 dc in next 7 dc, dc in last 4 dc; join with slip st to first dc: 36 dc.

**Note:** Work dc decrease as follows: (YO, insert hook in next st and pull up a loop, YO and draw through 2 loops on hook) twice, YO and draw through all 3 loops on hook (dc decrease made).

**Rnd 3:** Ch 1, sc in same st and in next 17 dc, work dc decrease 7 times, sc in each sc around; join with slip st to first sc: 29 sts.

**Rnd 4:** Ch 1, sc in same st and in next 16 sc, work dc decrease 5 times, sc in last 2 sc; join with slip st to first sc: 24 sts.

**Rnd 5:** Ch 4, skip first 2 sts, (dc in next st, ch 1, skip next st) around; join with slip st in third ch of beginning ch: 12 ch-1 sps.

**Rnd 6:** Ch 1, sc in same st as joining, 5 dc in next dc, work (sc in next dc, 5 dc in next dc) around; join with slip st to first sc, finish off.

Repeat for second Bootie.

Weave ribbon through ch-1 sps.

Weave in all yarn ends.

BLANKET

## BLANKET

**Note:** Make a blanket any size you like by making a chain (loosely) a few inches longer than the desired width. Figure the exact starting chain, by making the chain a multiple of 6+2.

**Row 1:** Single crochet across and turn.

**Row 2** (right side): Sc in second ch from hook, (skip next 2 chs, 5 dc in next ch, skip next 2 chs, sc in next ch) across.

**Row 3:** Ch 3, turn; 2 dc in first sc, skip next 2 dc, sc in next dc, (5 dc in next sc, skip next 2 dc, sc in next dc) across to last sc, 3 dc in last sc.

**Row 4:** Ch1, turn; sc in first dc, (5 dc in next sc, skip next 2 dc, sc in next dc) across.

Repeat **Rows 3 and 4** for pattern until blanket is desired length, ending by working a right side row.

# CROCHET PATTERNS

## BLANKETS

Use any pattern you enjoy making. Premie blankets should be at least 25" square or larger. (Full-term—min. 36" square) Hospitals request that you use patterns that do not have big open spaces that catch little fingers.

## FINGER PUPPETS

Use a size 1 or "B" crochet hook Baby or fingering yarn.

CH 13 stitches

Row 1: SC in the second chain from hook and in each chain across (12 SC); CH 1 and turn.

Row 2-11: SC in each stitch across going through both loops of each SC.

Finished piece measures about 1 5/8" wide x 1 1/2" long.

Fasten off leaving a tail of about 5"

While piece is flat, embroider eyes, nose, and mouth with embroidery floss or use liquid paint.

Use the tail to weave the back closed and gather the top, which is the last row of SC.

1/8" ribbon makes a cute bow for the top of girl puppets; for boy puppets, try changing the yarn color after six rows to look like a hat.

Alternately, you could use a small pom-pom or floss for hair.

Good face colors would be white, pink, peach, or brown.

## MITTENS

Size E hook Baby or fingering yarn

Cuff: CH 8, SC in 2<sup>nd</sup> CH from hook; 1

SC in each CH to end; turn. (7 SC)

\*CH 1, SC in back loop only to end of row, turn\* Repeat from \* to \* until strip measures 3 1/2 ". Fasten off.

Sew short ends of cuff strip together to form circle.

Hand: With right sides of work facing you, join yarn to one edge of cuff at seam.

Base Rnd: CH 1, sc 18 evenly around edge of cuff. Join with SL ST to CH.

DO NOT TURN.

Rnds 2, 4, 6, 8: CH 2, DC in back loop only to end, join with SL ST to top of CH.

Rnd 3: CH 1, (2 SC, 2 SC in next ST) to end, join with SL ST to CH. (24 sts in rnd)

Rnds 5, 7: CH 1, SC to end, join with SL ST to CH

Rnd 9: CH 1, (2 SC, 2 SC tog) to end, join with SL ST to top of CH. (12 sts now in rnd)

CH 1, SC 2 SC tog to end. Fasten off leaving a 6" tail.

Sew seam at top of mitten. Weave ribbon through the DC rnd at wrist & tie in a bow.

## CAPS AND BOOTIES

### EASY

This crocheted stocking cap and booties can be made for premature, newborn and 3 to 6 month olds.

You will need ½ ounce Coats & Clark's "Red Heart Sofspun" baby yarn in blue and white, sizes E, F and G crochet hooks.

**Gauge:** Using size F crochet hook,  
5 sc equal 1 inch  
6 sc rows equal 1 inch

**Note:** Size E crochet hook is used for premature size.

Size F crochet hook is used for newborn size.

Size G crochet hook is used for 3-6 month size.

All rows are worked in the Back Loop Only (blo) of each st to create ribbing for stretchability.

You may alternate colors, working two rows of blue, two rows white. When

changing colors, work new color into last two lps of ending sc of previous color.

Do not fasten off when changing color; carry across.

**CAP:** With blue yarn, ch 35.

Row 1: Sc in second ch from hook, sc in each st across. Ch 1, turn – 34 scs.

Rows 2-56: Sc in blo of each st across. Ch 1, turn – 34 scs.

Using tapestry needle, weave remaining yarn in end st of every other row along the 56 row portion, pull thread tightly and whipstitch to firmly secure top of cap crown. Do not fasten off. Hold wrong side of Row 1 and right side of Row 56 tog, sl st with crochet hook, or use tapestry needle and go through the blo of Row 56, matching the 34 corresponding sts. Fasten off, weave in end. Make small pompom for crown, or crochet a rosette.

**ROSETTE:** Ch 9, dc in 4th st from hook, 9 dc in same sp. Work 10 dc in each remaining st. Fasten off, pull both strands of yarn to wrong side of cap and knot several times. Rosette may be secured more firmly by stitching edges in several places.

**BOOTIES:** Leg: Ch 15.

Row 1: (Wrong side of work) Sc in second ch from hook, sc in each st across. Ch 1, turn – 14 scs.

Rows 2-20: Sc in blo of each st across. Ch 1, turn – 14 scs. At end of Row 20, do not fasten off.

**Instep:** With edge facing where color is carried across, join in end st of 8th row of leg.

Row 1: Ch 1, sc in same st as joining sc in end st of next 4 rows. Ch 1, turn – 5 scs.

Rows 2-7: Sc in blo of each st across. Ch 1, turn – 5 scs. (At end of Row 7, do not ch-1.) Fasten off, weave ends on wrong side.

**Foot:** Pick up working yarn. Sc in end st of next 8 rows of leg, sc in end st of next 7 rows of instep, sc in blo of next 5 scs. Sc in end st of next 7 rows of instep, sc in end st of next 8 rows of leg. Ch 1, turn – 35 scs.

Rows 2-7: Sc in blo of each st across. Ch 1, turn – 35 scs.

Row 8: Sk first st, sc in blo of next 14 sts, (sk one st, sc in blo of next st) 3 times, sc in blo of next 12 sts, sk one st, sl st in last st. Ch 1, turn – 29 scs.

Row 9: Sk first st, sc in blo of next 11 sts, (sk one st, sc in blo of next st) 3 times, sc in blo of next 10 sts. Sk one st, sl st in last st. Ch 1, turn – 24 scs.

Row 10: Sk first st, sc in blo of next 12 sts. With right sides facing sl st corresponding sts of bottom edges tog. Whipstitch remaining portion of foot and leg in same manner as cap. Fasten off, weave in ends. 🍀

This classic and well-designed pattern was printed in The Workbasket, a wonderful magazine.

## GENERAL INFORMATION FOR SEWING PROJECTS

- Use SOFT fabrics such as fleece, cotton flannel, cotton knit, or terry cloth.
- Wash any completed projects that are soiled or dusty. Do NOT use fabric softeners or fragrant rinses in the wash water.
- Edges on kimonos, receiving blankets, & diaper shirts can be serged, bound, zig-zagged, or finished with decorative/overcast stitches.
- Do not attach buttons (or anything that an infant might swallow) on kimonos, toys, diaper shirts, etc. VERY SECURELY attach ribbons or bows.
- Fabric paint (lead free) is a suitable alternative to embroidery or felt eyes, etc. on finger puppets or toys.
- Keep your projects FAR AWAY from smokers and pets.
- Package completed items in plastic bags to keep clean. (Several items may be packaged together. Do not add sachet or moth balls to your packages.)

## SEWING PATTERNS

### BLANKETS & SIMPLE QUILTS

Most hospitals welcome blankets & quilts.  
Sizes: 30" x 30" 36" x 36" or 36" x 42"

Flannel blankets may be hemmed or bound or serged in matching or contrasting color. A crochet edging is a lovely finish, too.

See the December 2010 newsletter for helpful information on preparing fleece or flannel for a crochet edge with a perforating rotary blade. (p. 18)

Consider an appliqué or some embroidery in one corner.

Quilt tops may be pieced or one piece (a bright color or cheerful print).

Tie quilts with yarn or machine stitch the layers together. Hand stitch, if you wish.

### **SIMPLE 30" x 30" QUILT**

#### **MATERIALS:**

- 30" x 30" fabric for the quilt top\*
- 34" x 34" fabric for the quilt back/bottom\*\*
- 30" x 30" batting \*\*\*

#### **DIRECTONS:**

Position the three layers – centering the quilt top (right side facing UP) & batting on the quilt back (right side facing DOWN). You will have 2" of quilt bottom showing on all four sides. Fold that 2" extension in half & then up on top of the quilt top—to form a border. Pin in place. Miter the corners, if you wish. Machine sew that border/hem in place through all of the layers.\*\*\*\* Then, tie the quilt layers together at approximately 5" intervals\*\*\*\*\*

\* A one-piece quilt top of a cute print is fine! If you use a cute or colorful fabric for the top, you do not have to work hours to create a patchwork or appliqué masterpiece.

\*\* Some hospitals request quilts with dark colors on the bottom so that they can be used as covers over the isolettes. Those covers provide tranquil darkness to allow infants to sleep.

\*\*\*Consider using 100% polyester felt for the batting. Felt is easier to handle than quilt batting. It provides good insulation & is machine washable.

\*\*\*\*Consider machine stitching the border/hem along the folded edge (1" from the edge) & then around the very edge of the quilt (1/8"from the edge) in order to keep the batting flat and in position. Use straight, zigzag, or triple step zig-zag stitch. (See diagram above)

\*\*\*\*\*Use soft yarn or crochet cotton to tie the layers; use contrasting colors if you want to make the quilt more colorful.

Stitch  
Before  
Stuffing

## FIBERFILL BUNNY

1. Cut two (cotton flannel, broadcloth, chintz or other soft fabric).
2. Place right sides together and stitch with 1/4" seam allowance—leaving the bottom open for stuffing.
3. Clip all curved seam allowances.
4. Turn bunny to right side.
5. Stitch dividing line between rabbit ears.
6. Stuff with fiberfill pushing fiberfill into the upper ears with pencil or chopstick.
7. Close the bottom opening with a slip stitch.
8. Embroider or textile paint the face.
9. Tie a ribbon snugly around bunny's neck with knot & bow. Hand stitch the ribbon to the back of neck so that the ribbon cannot be removed and ingested.

## FIBERFILL BEAR

This bear pattern was reduced in size to fit on the page. If you wish to have the original size, enlarge 115% on a photocopy machine. It is OK to make the bear this size or even smaller.

1. Cut two (cotton flannel, broadcloth, or other soft and washable fabric).
2. Place right sides together and stitch the seam with 1/4" seam allowances. Stitch in curves (not "V" shapes) around the outline of this bear.
3. Clip all curved seam allowances.
4. Turn bear to right side and stuff with fiberfill.
5. Slip stitch the opening closed.
6. Embroider or textile paint the face.
7. Tie a ribbon around the neck with a knot, then a bow. Hand stitch the ribbon in place at the back neck so that the ribbon cannot be removed and ingested.

## "SCRAPPY PEOPLE PILLOW" TOY

By: Diana Olson and Judy Govotsos  
For: Care Wear Volunteers  
January 2010

### DIRECTIONS:

The measurements of the Scrappy Pillow People are approximates. If they are a little bigger or smaller, that is fine. The shape can vary also to fit the scrap piece of fabric. Arms and legs can be made from different fabrics. I used the serger for most of the sewing, but you can use a sewing machine just as easily.

Cut 2 body, 2 legs, 2 arms

Fold and serge (or sew) the legs and arms lengthwise.

Pin the arms in place between the body parts right sides together. Make sure the other ends of the arms are not caught in the seams. Start sewing at the bottom corner, up one side across the top and down the other side. Pin the legs in place at the bottom edges and sew from corner to about 1/2 inch past the leg and back stitch to secure. Sew other leg in place.

Turn body right side out. Stuff lightly and hand sew bottom shut.

Paint face (eyes and mouth) on the front of the top body half.

Tie a knot on the ends of the legs and arms.

PATTERN ON NEXT PAGE

These are really adorable toys! Everyone enjoys stuffing them (no little ears to stuff!!!) and the finished results are very cute!

Thanks to Judy and Diana for their creative inspiration. THANKS very much for providing photos and pattern.

What a wonderful project to use leftover scraps of all sizes and colors!!!!

## WHEELCHAIR/WALKER CADDIES

- Maybe you or your group would like to sew wheelchair or walker caddies for an area hospital, nursing home, or rehabilitation center...
- Use Sturdy fabrics: denim, drapery or light weight upholstery fabrics, etc...
- Consider making one pocket more secure — with a zipper or Velcro fastening. Another variation is to have the ties with Velcro.

2-26" Twill Tape Ties  
(fold in half)

## BIBS

- Using graph paper, copy patterns given here, enlarging each square to 1". Cut out.
- Sew right sides together leaving area open to turn. (Alternative: Sew wrong sides together and bind [bias binding] or serge edges.)
- For large bib, sew snap where indicated. For small bib, finish neck edge with bias tape, extending past edge to form ties.

Each square = one inch

It is OK to vary the shapes of bibs.

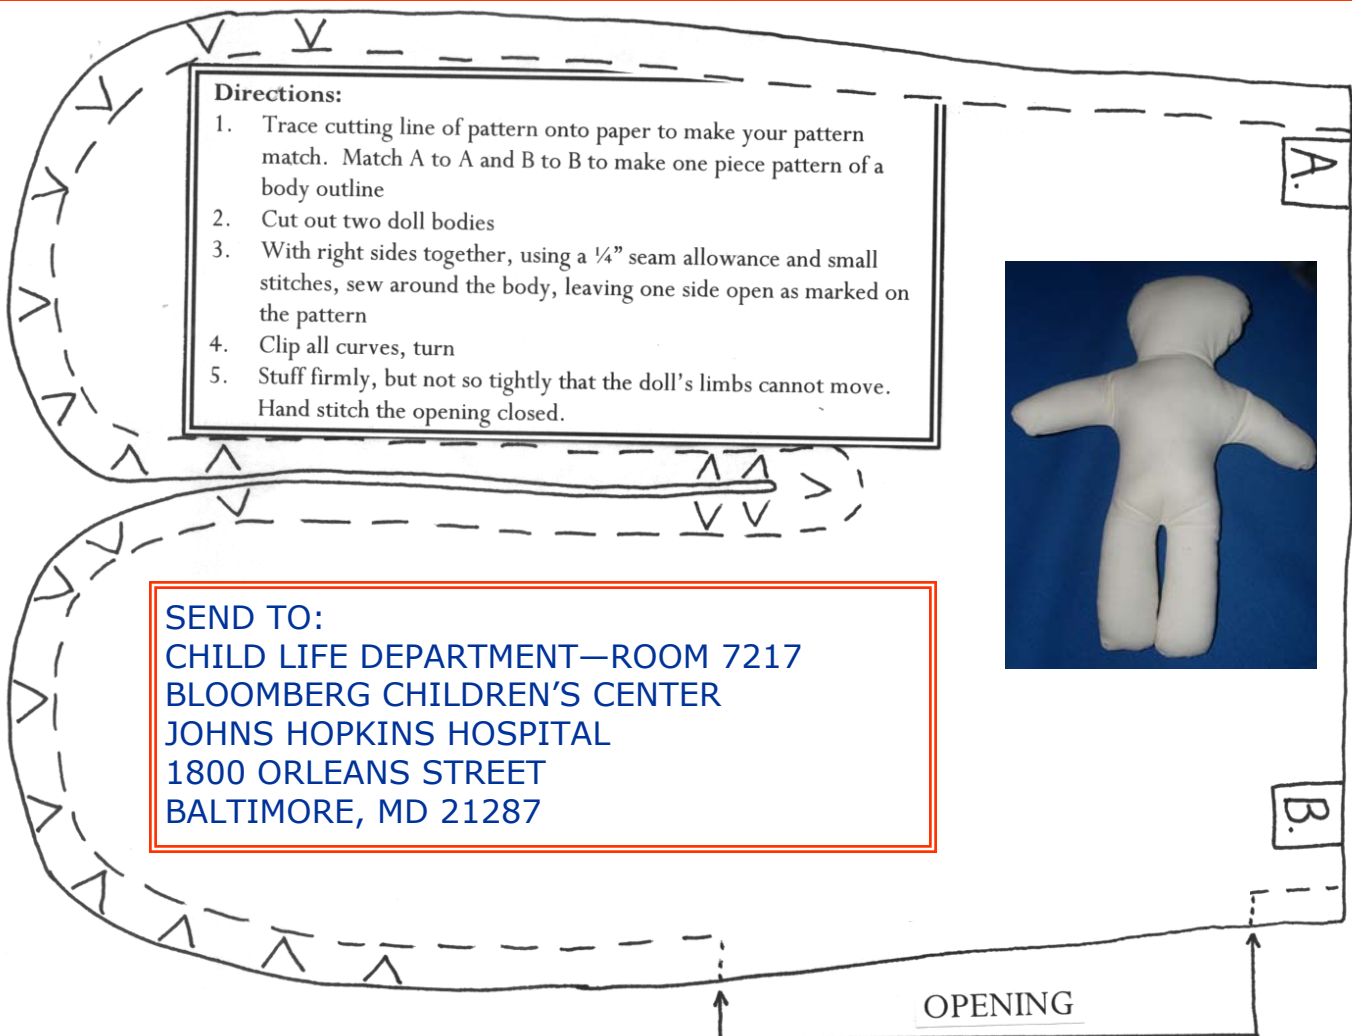

# SEWING PATTERNS

**Background:** The following information is extracted from an article entitled "The Use of Stuffed, Body-Outline Dolls with Hospitalized Children & Adolescents," by Laura Gaynard, Joy Goldberger, and Lesley Laidley.

The process of creating and personalizing a blank, stuffed, body-shaped doll can provide children with a pleasurable and expressive activity which can be used by the hospital staff in many ways. The children decorate the dolls with non-toxic permanent markers. The dolls become a part of the treatment process & the children take them home with them when they are discharged.

The dolls can be used to help develop a rapport with the children and to help them relax in a hospital environment. The staff may use the dolls to help assess the child's perceptions and feelings; talking about the doll is a non-threatening way to explore the child's own concerns. Another use of the dolls is to help the children prepare for and cope with their treatment process. The doll can be used to show such things as where an injection will be given or what posture/body position is desired. And, of course, the dolls can be a wonderful source of comfort for the children.

## MEDICAL-LEARNING DOLLS "SURGICAL DOLLS"

PLEASE do not add any decorations, eyes, faces, ribbons, appliques, etc.... to these dolls.

Stitching Line

**Reconnect the two halves of this pattern piece before cutting fabric.**

### SUPPLIES

- 12" x 17" piece of tracing paper (for your pattern) and a pencil
- 1/3 yard of 35" or 45" wide woven cotton or cotton blend in skin tone colors

(Johns Hopkins requests a variety of beige, tan, olive, & brown tones. Tea dyeing or using brown and tan shades of Rit-type dye is fine. Choose even (not mottled) colors that look like healthy skin tones. The color should be light enough that permanent fabric markers will show on it. )

- Sewing thread to match fabric
- Polyester Fiberfill for stuffing

Smocks/hospital gowns to dress each doll are requested. Go to the Care Wear Volunteers website:

**<http://www.carewear.org>**

SEE THE MARCH 2002 NEWSLETTER—page 21 for a sewing pattern for a medical gown that is sized for this surgical doll. Knit or crochet copies are welcomed, too. Also, June 2004—page 12.

## FLEECE HAT

**Fabric:** Knit fabric with good stretch

**Directions:**

**Step #1:** Cut out hat

**Step #2:** Fold in half vertically (right sides together)  
Sew vertical seam to create a tube

**Step #3:** Fold hat in half along horizontal fold line (see illustration in Step #1)  
Seam allowance is inside  
Match seam (mismatched seam will cause twisting)

**Step #4:** Reposition seam to side (as shown)  
Match four peaks and sew (serge) slanted seam by side seam of hat

**Step #5:** Sew the opposite seam (see diagram)

**Step #6:** Refold hat so two sewn seams touch at the peak  
Sew remaining two slanted seams (in one line) going over the peak

Hat is done! Fold up a "cuff"!

This hat can be a chemo hat too!

Adult Size 22 1/2" x 12"

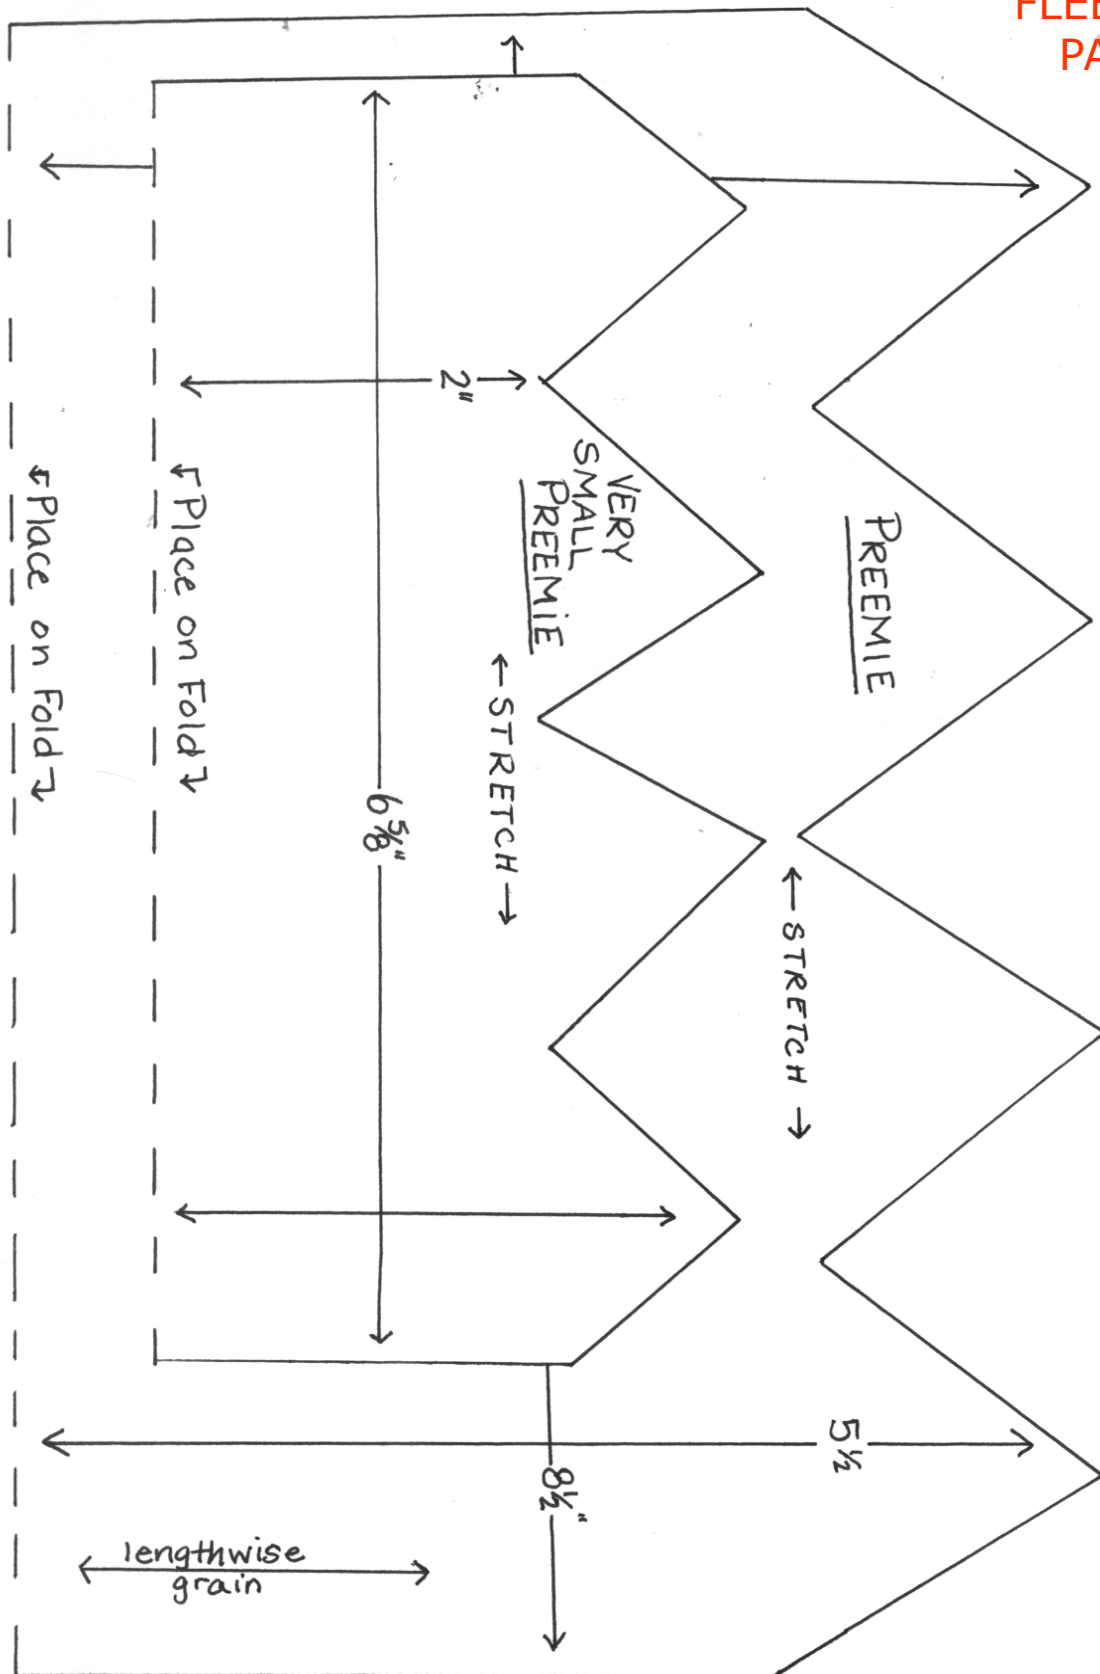

Newborn/Full-Term 8 1/8" x 11 3/4"

## BURIAL WRAP FOR PREEMIES & MICRO-PREEMIES

(from Lois Byford, Care Wear Volunteers of Wisconsin and Newborns in Need Message Center)

**Fabrics:** Outer wrap—satin, broadcloth, brocade, cotton (in white, ivory, pastels, or appropriate prints)

Lining wrap—flannel, velveteen, or other soft fabric

### Directions:

1. Cut two outer wrap pieces and two lining wrap pieces.
2. Outer wrap: Take your two outer wrap pieces, put right sides together, and sew a  $\frac{1}{4}$ " seam along seam A. (++++++)
3. Lining wrap: Take your two lining wrap pieces, put right sides together, and sew a  $\frac{1}{4}$ " seam along seam A. (++++++)
4. Clip and press those seams.
5. Place your outer wrap (now two sections with a centered seam) and your lining wrap (now two sections with a centered seam) together with right sides together. Sew a  $\frac{1}{4}$ " seam along seam B (xxxxxxx).
6. Clip and press seams.
7. Turn up (toward the wrong sides)  $\frac{1}{4}$ " across the bottom, pin, & press.
8. Position two pieces of Velcro on either side of the front edges as pictured. Both hook sides on one edge. Both soft fuzzy sides on the 2<sup>nd</sup> edge. Pin in place.
9. Topstitch around the entire burial wrap—through the pieces of Velcro.
10. For a girl, decorate with ribbon roses or bows. For a boy, decorate with a bow tie or other boy-applique. Position on front—as indicated in the diagram.

Attach a bow-tie, bow, or ribbon rose

CENTER BACK SEAM

This is the lower half of the **BACK** of the Premie Burial gown.

PLEASE RECONNECT PATTERN PIECE before cutting fabric.

Trace or photocopy both halves of the gown back and join A & B—bringing the solid lines together.

## DIRECTIONS:

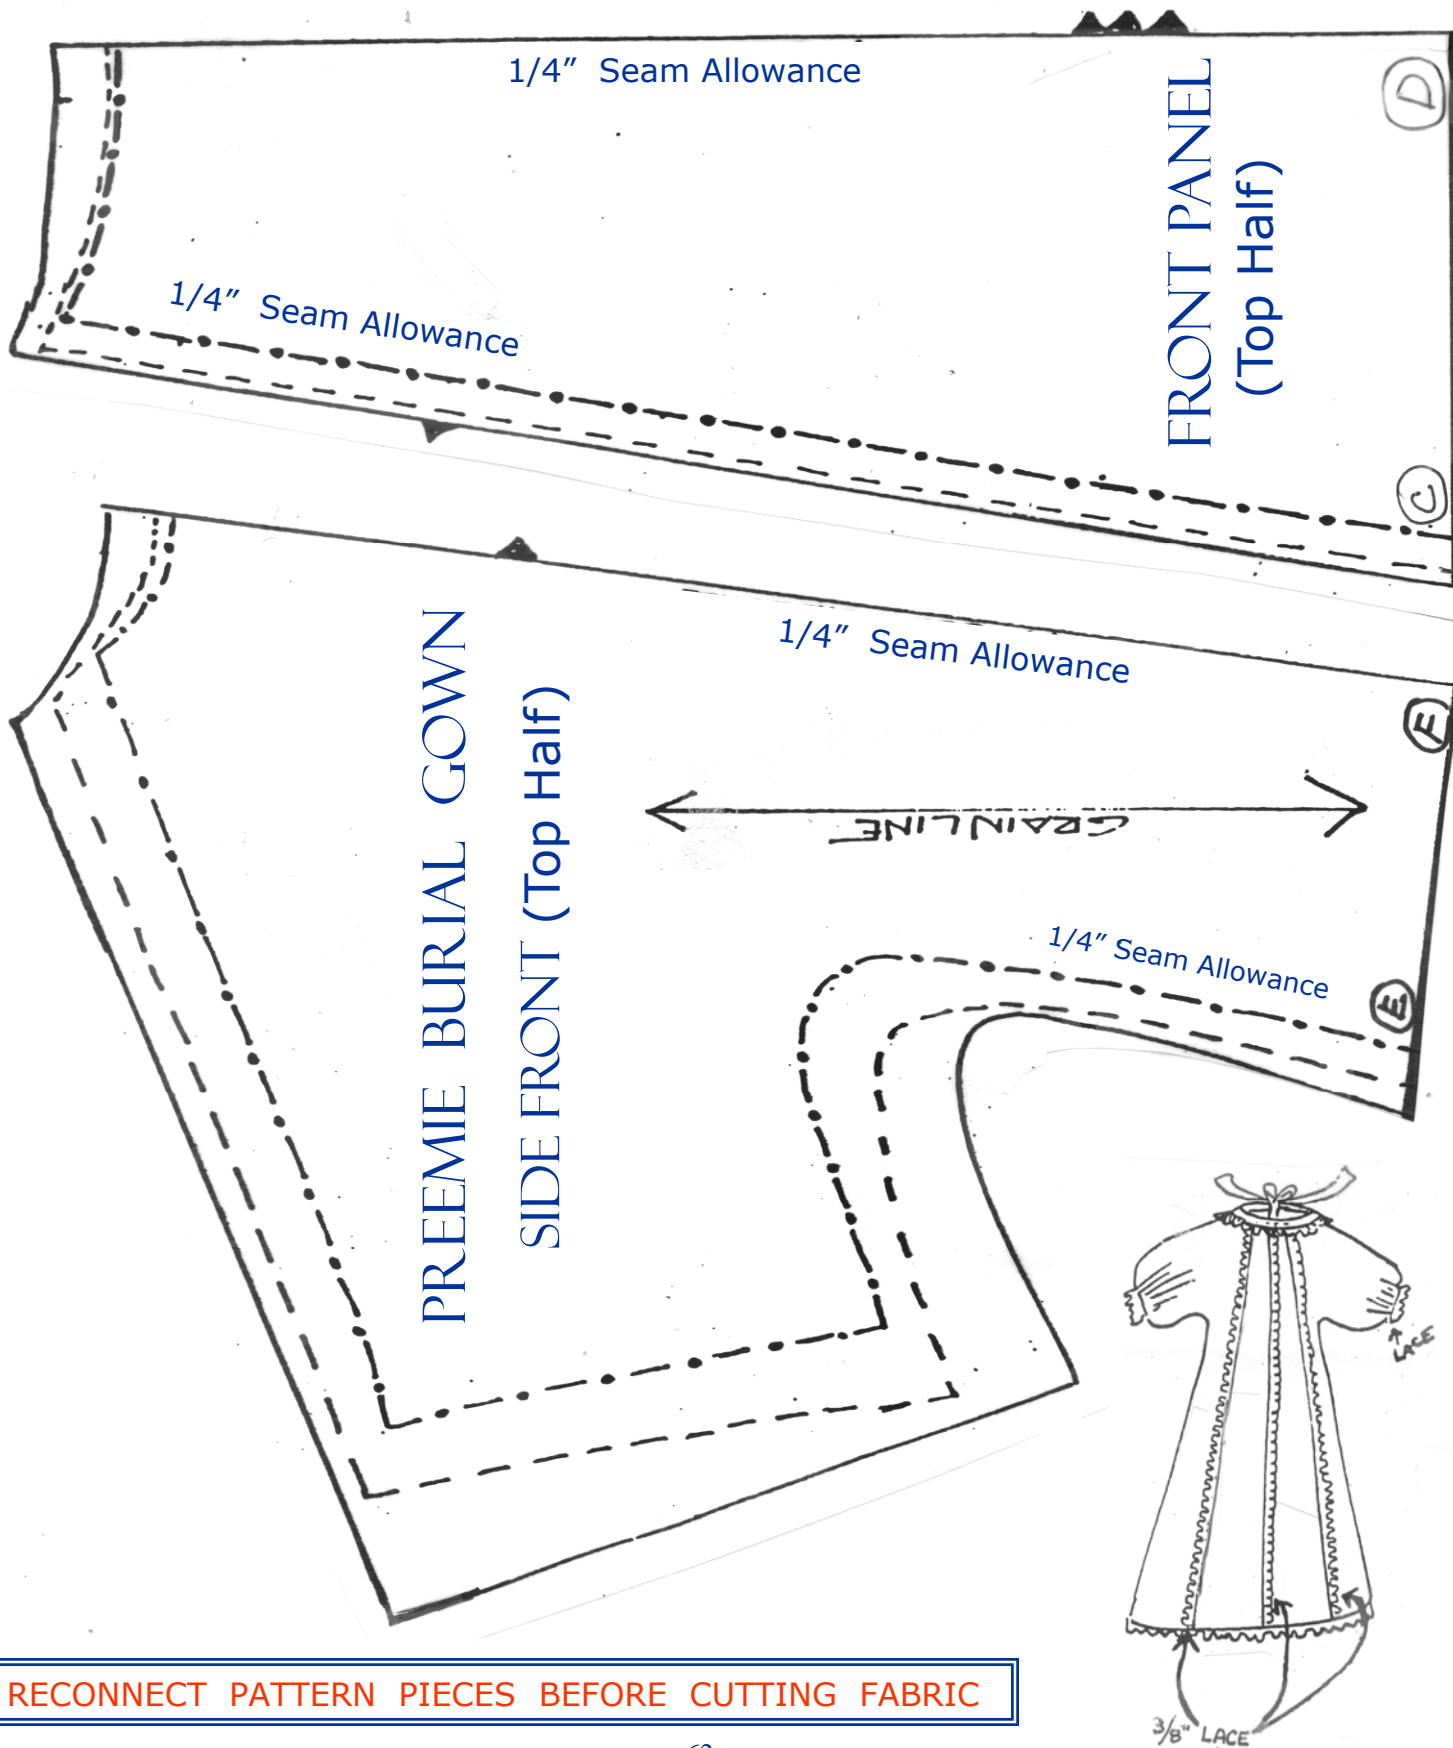

1. Pin 3/8" lace along center front seam—with lace extending out from the seam.
2. Sew the two center panels together (the center front seam).
3. Pin lace to the notched seam of the two side front panels.
4. Sew side front panel to the center front panels along notched seam.
5. Press center back seam allowances to the wrong side. Back seam is left open. (Seam finish optional)
6. Sew underarm seam—attaching gown front to gown back.
7. Turn under 1/4" at bottom of sleeve. Attach lace & then attach elastic (4" for small, 4.5" for medium, and 5" for large) OR make a casing for a drawstring ribbon.
8. Sew shoulder seam.
9. Optional: Attach slightly gathered lace around the neckline with lace extending down toward gown.
10. Cut a 20" length of double fold bias tape & attach around the neckline with equal length ends extending as ties at center back.

## MULTI-SIZED KIMONO FOR PREEMIES

**DIRECTIONS** for the  
assembly of the  
original Kimono  
pattern.

It's really easy!!!

**SUPPLIES:** COTTON OR FLAME RETARDANT FLANNEL, COTTON KNITS, ETC.  
VELCRO (TM) OR OTHER HOOK/FASTENER TAPE  
THREAD  
DOUBLE FOLD BIAS TAPE OR SERGER THREAD

### INSTRUCTIONS:

1. TRACE OFF PATTERNS FOR FRONT & BACK FOR EACH SIZE.
2. PIN PATTERN TO FABRIC AND CUT OUT  
NOTE: KIMONO BACK IS CUT ON A FOLD  
KIMONO FRONT IS CUT TWICE
3. WITH RIGHT SIDES TOGETHER, SEW A 1/4" SEAM ALONG THE SIDE/UNDERARM SEAM.
4. SEAM FINISH THAT SEAM BY PINKING, ZIG-ZAG, OR OVERCAST.
5. CLIP THE SEAM ALLOWANCE AT THE UNDER-ARM CURVE.
6. FINISH ALL EDGES OF THE KIMONO BY ANY OF THE METHODS LISTED BELOW:  
(A) BINDING WITH DOUBLE FOLD BIAS TAPE  
(B) OVERCAST STITCHING THE EDGES WITH A SERGER  
(C) TURN UNDER 1/8" AND STITCH IN PLACE  
(D) ZIG ZAG OR OTHER OVERCAST TYPE STITCH.
7. PRESS SEAMS AND EDGES SO THAT THE KIMONO IS FLAT AND FREE OF WRINKLES.

8. SHOULDER CLOSINGS  
CUT 3/4" WIDE VELCRO (TM) OR OTHER BRAND HOOK/FASTENER TAPE INTO PIECES ABOUT 3/8" IN LENGTH. YOU WILL NEED FOUR SETS OF 3/4" X 3/8" PIECES.

POSITION PIECES ALONG THE SHOULDER-SLEEVE EDGE AS INDICATED BELOW SO THAT WHEN FASTENED, THE KIMONO BACK WILL OVERLAP THE KIMONO FRONT.

9. FRONT CLOSINGS  
Option #1: Cut 3/4" wide velcro into two 1/2" lengths for the front.  
(You will need two sets-see illustration)

Position Velcro fasteners on the front as illustrated at left. Sew each into position.

Option #2: Attach ribbon ties instead of the velcro.

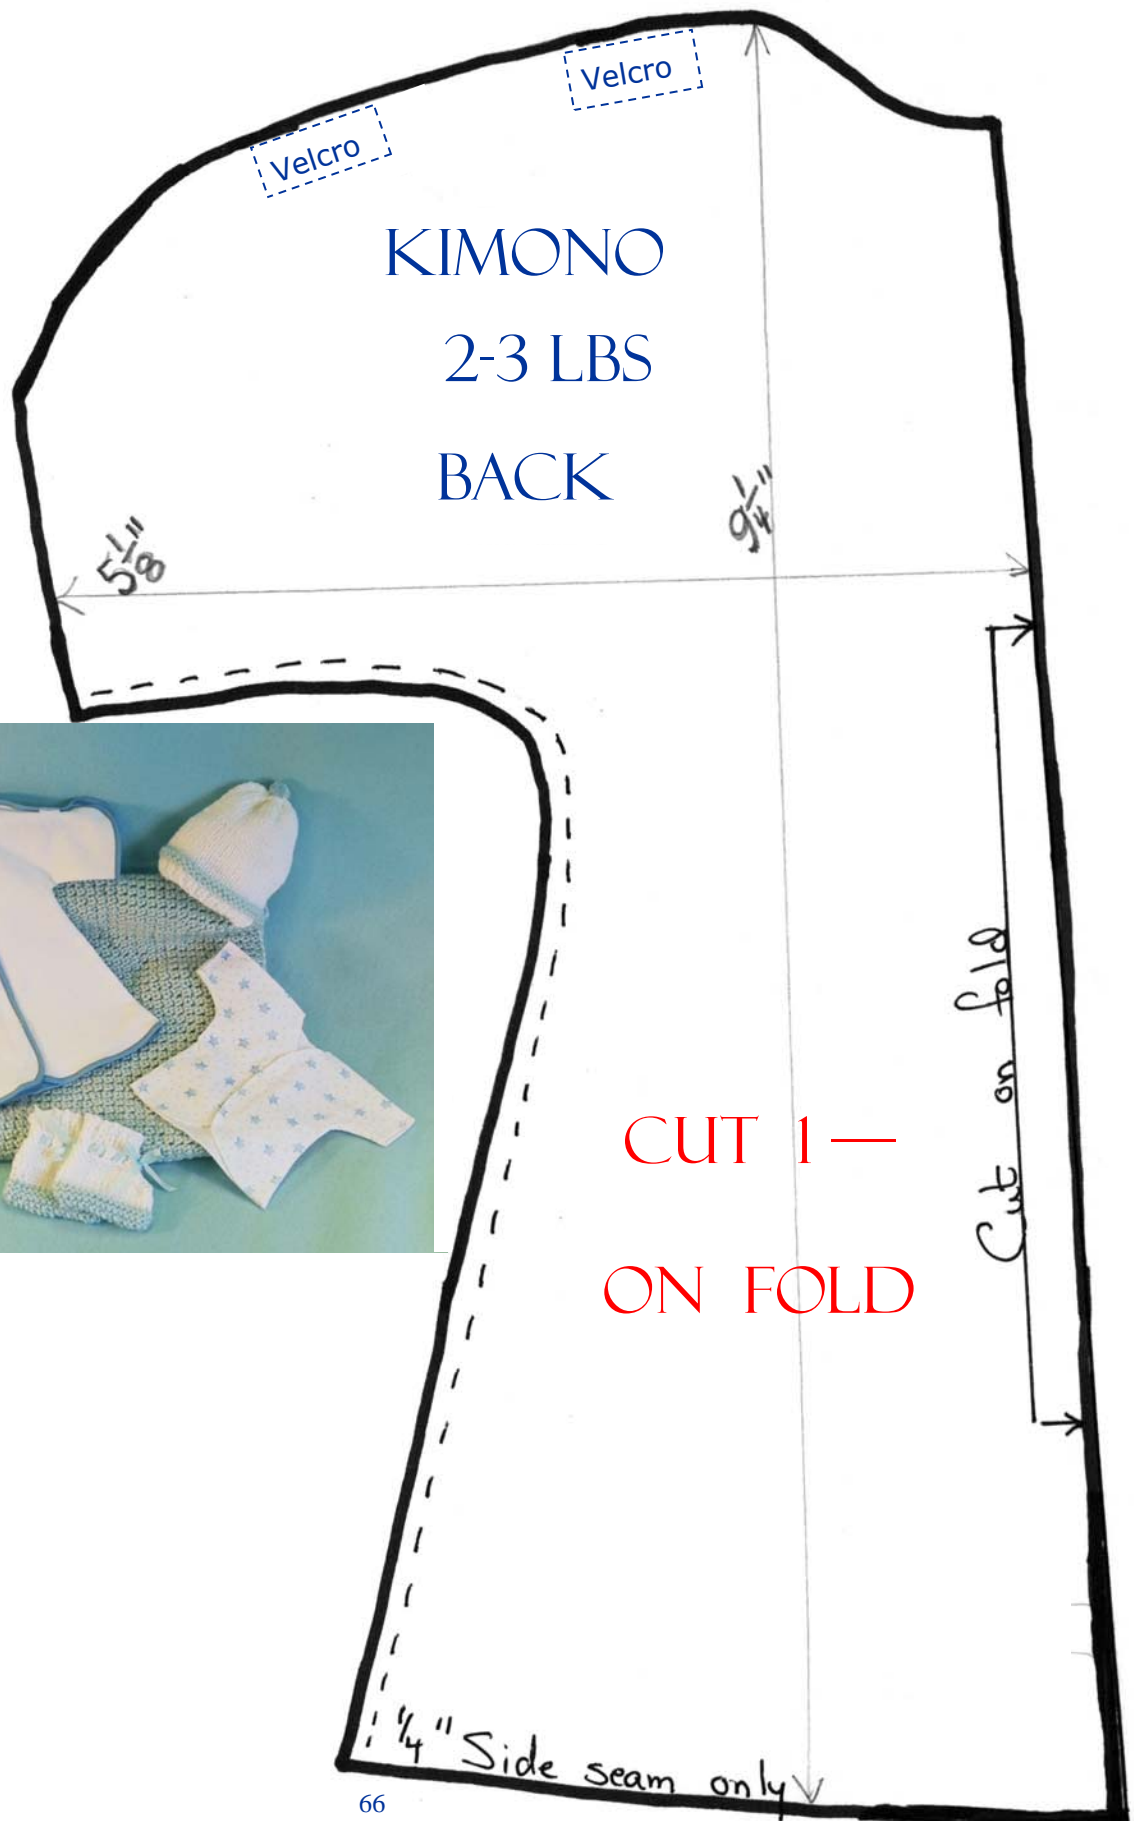

**NOTE:** This kimono opens down the front and across the shoulder/sleeve so that the preemie babies can be dressed/undressed without disturbing the tubes & monitors.

PLEASE  
RECONNECT PATTERN  
BEFORE CUTTING FABRIC

Again, please double check the measurements noted on the pattern for length and width. If an adjustment is needed, take the pattern to a photocopier to enlarge or decrease in size until the measurements are accurate.

Another THANK YOU to Debbie Pfaff for her help sizing this pattern for 2-3 and 4-5 lb infants.

## BOOTIE PATTERN TO SEW

© 1983 Diana-Marie Thorpe  
Free Pattern: Not for resale

Trace off the pattern piece.  
The larger size is full-term and  
the smaller size is preemie.  
Fabric: Soft knits or flannel.  
Notions: 1 yard  $\frac{1}{4}$ " ribbon

### Directions:

1. Cut out 4 bootie pieces  
(lining layer and bootie layer)
2. On the bootie layer,  
make buttonholes as po-  
sitioned
3. Right sides together, sew  
center front and center  
back seam on the bootie  
layer
4. Repeat for lining
5. Turn bootie right side out
6. Tuck lining inside bootie  
(toe at toe and heel at  
heel) and pin together at  
cuff
7. Top stitch as shown on  
pattern, all around ankle
8. Finish upper raw edge (zig-  
zag, serge, or hem)
9. Cut 2 ribbon ties (18"  
each). Fasten a small  
safety pin into the end of  
each ribbon tie and push  
in one buttonhole and out  
the other
10. Hand tack ribbon to  
bootie at center back so  
that ribbon stays in place
11. Knot ribbon ends to pre-  
vent raveling

## X-SMALL BOY'S GOWN

NOTE: This pattern can be used for infant girls by substituting a ribbon rose or bow for the neck tie.

Cut out pattern pieces. Embroider sleeves on marked lines. Turn under sleeve ends  $\frac{1}{4}$ " and sew. After sleeve is sewn to bodice, turn under cuff and sew with tiny stitches by hand, catching the embroidery lines so that you can't see stitches from the top.

Embroider outside collar line on bodice top only. Sew narrow bias to bodice front at waistline, before attaching the skirt. Gather skirt pieces and pin to bodice top. Turn outside length of skirt back under  $\frac{3}{4}$ ". Turn end under  $\frac{1}{4}$ " leaving  $\frac{1}{2}$ " for hem. Press and sew all the way down.

After skirt is together, sew gathering lines on bottom of skirt, (2 rows). Pin sacque bottom to bottom of skirt and gather to fit. Sew together. Sew lining bottom to cover raw seams on the inside. Turn on right side. Tack right side of skirt to left side, 2  $\frac{1}{2}$ " up from sacque bottom. Cut two pieces of  $\frac{1}{8}$ " ribbon, 9" long and tack on back of gown seam at neckline about  $\frac{1}{4}$ " in, on each side.

To make tie:

Use bias tape, 5  $\frac{1}{2}$ " long. Press flat. Turn short ends under  $\frac{1}{4}$ " and press. Bring corners down to form a peak. Turn left side under a scant  $\frac{1}{2}$ " and press. Turn right side under a tiny bit and then again to form a seam line, and pin. Take tiny stitches all the way down by hand through back only to press again. Do not stretch. With right sides facing you, turn in half. Tack  $\frac{1}{2}$ " down, right over left. Bring peak down to make what looks like a tie knot, and sew on back to secure. Tack to bodice where marked. Use the same color bias tape for the ties as you use at the waistline.

Donna Sheffield designed this gown and shared it with Care Wear Volunteers. For three larger sizes, see the December 2002 newsletter on the Care Wear Volunteers website: <http://www.carewear.org> See the September 2003 newsletter for another gown called Lorrabelle's Gown (open at the bottom) in three sizes.

## FELT FINGER PUPPETS

### Materials:

- Felt scraps
- Scissors
- Glue
- Needle/Thread
- Sewing Machine
- Embroidery Floss
- Marker or textile paint

### Directions:

- Cut 2 pieces of felt for the body (approx. 2 1/2" length).
- Position ears between two body layers. Sew together around outer edge with a close zig-zag or other stitch—leaving the bottom open.
- Make face (eyes, etc.) with markers, textile paint or embroidery floss.
- Experiment with different shapes & sizes of felt to create a menagerie of finger puppets. Here are some ideas.
