

Felt Finger Puppets

Option One

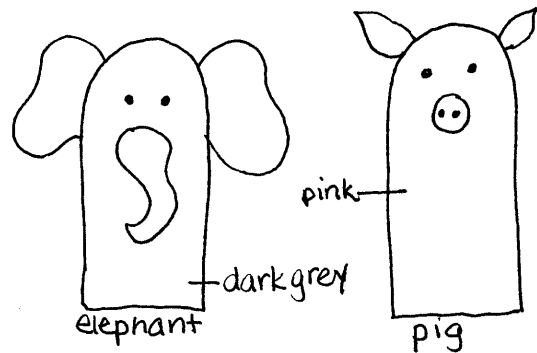

Materials:

- Felt scraps
- Scissors
- Needle/Thread, Sewing Machine
- Glue
- Embroidery Floss
- Fine point marker or fabric paint

Directions:

1. Cut two tongue-shaped pieces of felt for the body (3" length – see diagram)
2. Experiment with different shapes and sizes of felt for ears, beaks, mane, nose, or trunk
3. Position ears in between two body layers. Sew together around outer edge, leaving the bottom open! (Option: Glue around the outer edge)
4. Position nose, trunk, etc. and glue in place
5. Draw eyes with markers or fabric paint. Glue on short lengths of floss for whiskers where appropriate

Option Two

Materials:

- Small pieces of felt
- Liquid fabric paint or embroidery floss

Directions:

1. Cut out 2 finger puppet patterns and one pair of ears in second color felt
2. Position ears between dots between two layers of felt
3. Sew a close zig-zag around the outer edge or use straight stitch or hand stitch
4. Embroider or paint face pattern on once side
